

MEDICAL EXAM (VIEW ONLY)

The Medical Exam table is used to record an officer's physical examination history. Information will be brought into Direct Access via an interface from the MAB database. Officers will be able to view their own physical exam information via the Self-Service component. CC HQ will be able to view physical exam information for officers via the Readiness component.

1. Click on the [Medical Exam](#) link located inside the Self-Service pagelet.

2. The **Physical Exam Data** page will display.

A screenshot of the "Physical Exam Data" page. At the top, there's a tab labeled "Physical Exam Address/Phone". Below it, a "Person ID:" field is partially visible. The main section is titled "Physical Exam Data" and includes a search bar with "Find | View All" and a pagination indicator "1 of 1". The data is presented in a form with the following fields: "Exam Date:" with value "12/18/2008", "*Exam Type:" with value "PHS Exam", "Next Exam:" with value "12/18/2013", "Physician ID:" (empty), "Country:" with values "USA" and "United States", "Address:" (empty) with an "Edit Address" button, "Exam Time In/Out:" with a "/" symbol, and "Phone:" (empty).

FIELDS	DESCRIPTION
Exam Date	Displays the date of the physical exam.
Exam Type	Displays the Exam Type Description, "PHS Exam". The Exam Type defaults to "PDC". <i>Note: Description changed from "Periodic (Quinquennial) 5-Yr Exam".</i>
Next Exam	Displays the default next exam date which is five years from the Exam Date.
Physician ID	Not used at this time.
Exam Time In/Out	Not used at this time.
Country	Defaults to USA.
Address	Not used at this time.
Phone	Not used at this time.

- If you wish to view historical physical exam information, you may use the navigation bar (blue bar) at the top right of the page to browse through the available physical exam data pages.

Click on the left and right arrow buttons to view the previous record(s) or next record(s) respectively or the [First](#) or [Last](#) links to view the most recent or oldest record, respectively. Click the [View All](#) hyperlink to see all the records at one time using the scroll bar to the right to shift up or down.
