

OPM Academic Alliance Schools Open House

The Office of Personnel Management (OPM) signed a memorandum of understanding with 11 academic institutions to create the Federal Employee Education Alliance. Federal employees and their spouses and dependents can take advantage of reduced tuition rates through this alliance. DHS invites you to attend an Open House featuring members from all of the alliance schools on Monday, May 8. Webinar presentations will be available.

The Open House will cover the various degree programs available, provide an opportunity to speak with members of the alliance schools to learn about enrollment, and allow participants to obtain general information about each of the schools. You can find a complete list of the schools at [OPM Alliance Schools](#).

When: Monday, May 8, 1-4 p.m.

Where: Headquarters Training Center
90 K Street, NE, 12th Floor, Washington, DC
