

The President's Management Council Interagency Rotation Program

The President's Management Council sponsors an interagency rotation program for high-potential GS 13-15 employees. It enables emerging federal leaders to expand their management skills, broaden their organizational experience, and foster networks they can leverage in the future. Information and requirements for participation about the [PMC Interagency Rotation Program](#) may be found on [DHS Connect](#).

We are seeking **both** participants, as well as challenging and rewarding rotational assignment opportunities throughout the Department that interested individuals from up to 16 federal agencies will be able to submit a request for consideration. The ideal rotational assignment is one that will stretch and develop these high-potential GS 13-15 employees during the six month rotation (APRIL – SEPTEMBER 2018). Rotational Assignments that require TS/SCI are **not** encouraged.

Employees wishing to apply must complete the [Participant Statement of Interest](#) form located on [DHS Connect](#) and return to pmcrotations@hq.dhs.gov **no later than November 10, 2017**.

Supervisors wishing to host a PMC Fellow must submit a [PMC Rotation Experience](#) form and return it to pmcrotations@hq.dhs.gov **no later than November 17, 2017**.

If you have questions, please contact Cheryl Harley at Cheryl.Harley@hq.dhs.gov.
