

BASE ALAMEDA

MISSION

Base Alameda proudly delivers 360° mission support, enabling Pacific Area and District Eleven to achieve operational excellence. We enhance the quality of life for our entire Coast Guard family. We proudly provide all-encompassing logistics and personnel services to empower our operational partners as they execute their missions. Further, we are nimble and responsive to the needs of the service and continually prepare for and respond to events of National or local significance. We are dedicated to our people: providing support, services, tools, and resources needed to meet mission and balance work-life.
