

Continuing Resolution.

A Continuing Resolution to fund Government activities has been passed. Coast Guard members and civilian employees shall resume their normal work schedule. Civilian employees previously scheduled for leave can remain in a leave status unless otherwise notified by their supervisors. CG-12 staff is working on timecards to ensure pay is received as quickly as possible. Employees and supervisors should refrain from validating or certifying timecards to ensure timely salary payments are not jeopardized. Supervisors are asked to reach out to co-workers to ensure the word is passed to every member of the Total Workforce. Continue to reference www.dcms.uscg.mil/budget for FAQs. We look forward to having everyone back on board - Welcome Back!
