SIGNAL NUMBER

Each year at the time a new Register is printed, officers are assigned a new signal number. This number designates their seniority in relation to other active duty officers. The signal number of officers who are not included on the Active Duty Promotion List will be the same as the officer next senior in precedence except, the signal number will contain an alphabetical suffix.

RUNNING MATE

In accordance with Title 14, U.S. Code, Section 3737(a), the Secretary shall assign a running mate to each Reserve officer in an active status not on the active duty promotion list (ADPL). The officer initially assigned as a running mate under this section shall be that officer on the ADPL of the same grade who is next senior in precedence to the Reserve officer concerned.

Officers on the ADPL who have been promoted from below the promotion zone, or placed out of line for promotion will not be assigned as a running mate. Consequently, more than one officer on the ADPL could become a running mate in the course of a year due to ADPL changes.
