2. Additional updates will be published as needed.

3. Per Article 1.D.9.C of Ref B, those candidates whose names appear at or above the cutoff for appointment to warrant grade or whose names appear below the cutoff but who are subsequently offered appointment to warrant grade are not eligible for advancement to E-7, E-8, or E-9. Recommendation of these members for advancement to E-7, E-8, or E-9 will be invalidated and their names will be removed automatically from the established enlisted advancement eligibility list 60 days after publication of the final eligibility list unless they have notified both PSC-OPM and PSC-EPM of their intention to decline appointment to chief warrant officer. Per Article 3.A.13.d of Ref C, PSC may grant special consideration to allow a member to advance prior to accepting or declining a CWO appointment in the following situation: member is above

the most recent cut on either the enlisted advancement eligibility list or the CWO list and will execute enlisted PCS or fleet-up orders to fulfill the responsibilities at the next higher pay grade. Requests for advancement must be submitted to CG PSC-EPM.

4. Those who decline appointment or who voluntarily elect removal from the eligibility list are not eligible to re-compete for appointment for five years. Commanding officers must ensure the appropriate administrative remarks entry (CG-3307) required IAW Article 1.D.10.c of Ref B is prepared and entered in the member's PDR.
