3. Additional revisions to the cuts may be made when required by the needs of the Service and circulated via ALCGPSC.

4. Candidates whose names appear above the cut for each specialty, who meet associated appointment requirements, will be offered appointment. Eligible candidates whose names appear above the cut that have not been appointed by 31 May 2026, will be automatically moved to the top of the following year's eligibility list, ahead of new candidates.

5. Selection for appointment initiates assignment in AY25 and shopping of member's current billet. Candidates who are above the cut and do not commission, either by not attaining eligibility, removal from the Final Eligibility List (FEL), or decline appointment will be assigned by PSC-EPM in AY25.

6. Subsequent changes in the CWO workforce may result in enlisted members being offered appointment throughout the period that the eligibility list remains valid, even though the member may be either in receipt of or have executed enlisted PCS orders.

7. Assignment Officers (AOs) are as follows:

a. CWO Clay Clark, at 202-795-6453 for AVI, DIV, ELC, F&S, INF, INV, ISS, MAT, MED, PERS, WEPS, and GENDU.

b. CWO Adam Lorentz, at 202-795-6462 for BOSN, CMM, ENG, ISM, MLES, MSSD, MSSE, MSSR and OSS.

8. Personnel above the cut should submit E-Resumes to OPM-2 via Direct Access in accordance with published timelines in Ref A. Members that have completed physicals and documented eligibility for appointment within the timelines established below will be given priority in the CWO assignment process.

9. Candidates who decline appointment or voluntarily elect to remove themselves from the eligibility list are not eligible to re-compete for appointment for a specified time-period. Once the official SWE Enlisted Advancement List is released, the two-week period to accept/deny CWO appointment begins. The SWE Enlisted Advancement List is anticipated to be released on approximately 15 November 2024.

a. Candidates who elect to remove themselves from the eligibility list before or during the two-week period will not be eligible to compete for two years.

b. Candidates who either decline appointment or elect to remove themselves after the two-week period are not eligible to compete for five years.

c. The SWE Enlisted Advancement List release date and two-week period listed in this message are a forecast based on current information. Actual dates will be updated as the year progresses.

d. Additional information and updates can be found on the OPM-2 SharePoint site: https://uscg.sharepoint-mil.us/sites/psc_spo/psc-opm/OPM-2/Officer%20Assignments/SitePages/CWO-Assignments.aspx.

10. Commanding Officers of candidates who decline appointment or elect to remove themselves from eligibility, must ensure that the administrative remarks entry (CG-3307) is prepared and entered into the member's Official Military Personnel File (OMPF) as required by Article 8.F.2.c of Ref B, and a copy forwarded to CWO Alex Acevedo at Alex.J.Acevedo@uscg.mil.

11. As per Article 8.C.4.b of Ref B, Commanding Officers must ensure candidates meet commissioning physical requirements and are in compliance with established weight and body fat standards set forth in Ref D.

12. Commissioning physicals should be completed by those candidates that are above the cut no later than 01JAN25. Physicals are strongly recommended for members five or less below the cut in the event a vacancy opens unexpectedly. Physicals are good for one year from the date of completion. Report of Medical Examination, DD2807, and DD2808, should be forwarded to HQS-SMB-PSC-OPM-1-Promotions@uscg.mil once approved by your clinic administrator. Annual periodic health assessments (PHAs) do not satisfy commissioning physical requirements for CWO appointment. Candidates are also reminded that normal color perception is a commissioning physical requirement for the following specialties: AVI, BOSN, ELC, INV, MED, WEPS, ENG, ISM, MLES, and OSS. The INV specialty additionally requires normal hearing. Exceptions to these requirements are outlined in Article 3.A.12.a of Ref C.
