SUBJ: FY25 RESERVE ACTIVE AND INACTIVE DUTY TRAINING REQUIREMENTS
- UPDATE 1

A. COMDT COGARD WASHINGTON DC 251755Z SEP 24/ALCOAST 375/24

B. COMDT COGARD WASHINGTON DC 251750Z SEP 24/ALCOAST 374/24

1. This message announces important updates to the FY25 Reserve active duty and inactive duty scheduling deadlines and waiver requirements outlined in REFs (A) and (B) to maximize use of available funds.

2. ACTIVE DUTY FOR TRAINING (ADT):

a. The deadline in paragraph 9.b. of REF (A) for members to request ADT orders in Direct Access is changed to 31 May 2025. Late requests are subject to the approval of District (dxr)/PAC-13 and COMDT (CG-R82), and are subject to funds availability.

b. The deadline in paragraph 9.c. of REF (A) for Districts (dxr) to authorize and obligate funding for all ADT orders beginning in FY25 is changed to 20 June 2025.

c. For the purpose of the ADT deadlines above, ADT includes Active Duty for Training - Annual Training (ADT-AT) and Active Duty for Training - Other Training Duty (ADT-OTD).

d. Every effort shall be made to obligate funding for Initial Active Duty for Training (IADT) by the 20 June 2025 deadline. IADT orders beginning on or after the deadline shall be authorized as soon as practical.

3. INACTIVE DUTY:

a. The deadline in paragraph 12.b. of REF (B) for members to schedule all types of inactive duty in Direct Access is changed to 31 May 2025.

b. To maximize scheduling flexibility, paid drills should be scheduled directly by the member and must remain in a pending status (i.e. scheduled but not approved by a supervisor) to enable members to edit (i.e., reschedule) drill dates without requiring a drill waiver.

c. For the purpose of the inactive duty deadline above, inactive duty includes Inactive Duty Training (IDT), Readiness Management Periods (RMP), Additional Training Periods (ATP), Additional Flying and Flight Training Periods (AFTP), and Funeral Honors Duty (FHD).

4. INACTIVE DUTY WAIVERS: Waiver requests outlined in paragraph 14.b of REF (B) should not be expected, but will be considered with final approval based on funds availability at the time the request is received by COMDT (CG-R82).

5. All other requirements and responsibilities in REFs (A) and (B) are not changed by this update and remain in effect.

6. Shifting the scheduling deadlines one month earlier allows COMDT (CG-R82) to more accurately estimate the total costs required in FY25, which will maximize available drills with available funding.
