**Household Goods**

It is mandatory to contact your servicing Transportation Officer (*T.O.P.S site*) to arrange for shipment of household goods whether you're planning a government shipment or you plan to move yourself.

I request government shipment of household goods.

I request personally procured transportation of household goods (*see below for information regarding a PPM move*).

I request **both** government shipment and a personally procured move of household goods.

I have household good items in non-temporary storage.

Please enter the date of your HHGs counseling appointment \_\_\_\_\_ so your SPO will know to have your orders ready in time.

**Personally Procured Move (PPM)**

In accordance with JFTR U5286-D, an eligible member may personally procure transportation and non temporary storage (NTS) of their household goods (HHG). Members desiring to conduct a personally procured move (PPM) of their HHGs must obtain an approved Application for Do It Yourself Move and Counseling Checklist (DD-2278) from their **origin** transportation office. Without a DD-2278 from **origin**, members may only receive reimbursement for any authorized actual cost.

A member who personally procures NTS of their HHGs are entitled to reimbursement of NTS cost not to exceed 95% of the government's constructed cost. Members desiring self procured NTS must receive approval from their **origin** transportation office.

Payment of the PPM incentive requires certified weight tickets from a government or public scale certified for use within the state for all PPMs regardless of weight allowance, or type of PPM. Certified weight tickets are the sole documents used to determine a member's HHG weight and is used to calculate a member's incentive payment amount. Unlike other services, the Coast Guard requires that both certified weight tickets must be obtained at **origin**. One weight ticket must indicate the tare (empty) weight of the vehicle/truck/trailer/POV. The second must indicate the gross (loaded) weight of the same vehicle/truck/trailer/POV.

In order to expedite the processing of Personally Procured Move (PPM) Claims for retiring and separating USCG personnel, submit an Online EFT Application ([https://www.fincen.uscg.mil/secure/enrollment\\_form.htm](https://www.fincen.uscg.mil/secure/enrollment_form.htm)) after the effective date of retirement or separation.

**Certified Weight Tickets not obtained or lost/ destroyed**

If certified weight tickets were not obtained or were lost or destroyed use of constructive weights may be considered under JFTR U5286-D.6.b by COMDT (CG-1332). The use of a constructive weight will only be approved when unusual circumstances prevented or made obtaining weight tickets impractical or impossible. Members must ensure that weight scales are open and available at the time of their move. If a member chooses to move when scales are closed (e.g. weekend or holidays) then no incentive will be paid. The member will only be reimbursed for any authorized actual expenses.

The following supporting documentation is required to be submitted to COMDT (CG-1332) when requesting the use of constructive weight: (1) Memorandum with a command and transportation officer endorsement explaining why a government or public scale was not available or how weight tickets were lost or destroyed. Include name and telephone numbers of government or public scales used or available, (2) DD Form 1701 (Household Goods Descriptive Inventory) or Surface Deployment Distribution Command (SDDC) weight estimator, (3) Original DD Form 2278, (4) Copy of travel orders and any amendments, (5) SF 1038 (Advance of Funds Application and Account), (6) Legible copy of the vehicle contract if applicable.

**HHG Transportation and NTS Upon Separation**

Members who are separating from active duty (*other than retirement*) from the Coast Guard have 180 days following their separation date to ship their HHGs at government expense. In case of extreme hardship (e.g. medical, legal issues), an extension of this time limit may be authorized/approved by COMDT (CG-1333). Requests must be submitted before the 181<sup>st</sup> day following separation, otherwise entitlement expires on the 181<sup>st</sup> day. If an extension is approved, the member is liable for all cost of storage at the government rate beginning on the 181<sup>st</sup> day.

Members who are retiring from active duty have 365 days following their retirement date to ship their HHGs at government expense. In cases of education, training or other deserving cases, an extension of this time limit may be authorized/approved by COMDT (CG-1333). Requests must be submitted at least 30 days prior to the one year anniversary of their retirement date; otherwise the entitlement expires after 1 year. If an extension is approved, the member is liable for all costs of storage at the government rate after the first year.
