

# Viewing Pay Transactions

## Overview

---

**Introduction** This guide provides two ways for viewing pay transactions for a member that require(ed) approval (through the Request tab) in Direct Access (DA), whether they are pending, approved or denied.

---

- Information**
- CGHRS user role is required for this transaction.
  - This does not display PCS Orders, Reserve Orders, or Separation Orders.
  - This is useful for locating transactions sent to an erroneous Empl ID or to see specific details including when it was approved/denied and by whom.
