

## BAS II

### Overview

**Introduction** This guide provides the SPO with a checklist and procedures for processing BAS II in Direct Access (DA).

  - (b) [Coast Guard Reserve Policy Manual, COMDTINST M1001.28 \(series\)](#)
  - (c) [CG Standard Meal Rate \(CGSMR\) / Refund for Missed Meals \(RMM\) – DA Knowledge Base \(CGPortal\)](#)

**BAS II** Per [reference \(a\)](#), BAS II is to provide a special rate of subsistence allowance for eligible enlisted personnel permanently assigned to Government-owned single-type unaccompanied personnel housing (UPH) without adequate food storage or food preparation facilities, and where an Appropriated Fund Dining Facility (AFDF) is not available, the member is not entitled to a meal per diem, and the Coast Guard cannot otherwise make Government furnished meals available.

BAS-II rate is **NOT** authorized when the member is:

- In a travel status En route to their initial PDS
- In transit between PDS or TDY locations
- Assigned TDY
- Hospitalized
- On Leave (any type)
- On Permissive Duty or Compensatory Absence
- If CGSMR/DMR is currently running and being deducted (open-ended EABP row)
- In receipt of RMM (Refund for Missed Meals)

**Auditing Standards** [Chapter 11.A of the 3PM](#) implemented a standard business process for submitting and validating pay transactions entered by Servicing Personnel Offices (SPOs). See the following user guides for navigating, identifying, and researching pay transactions:

- [Pay Calculation Results](#)
- [One Time Positive Input \(OTPI\)](#)
- [Element Assignment by Payee \(EABP\)](#)

## Overview, Continued

---

**IMPORTANT:  
BAS II and  
CGSMR/DMR  
Rows**

When a SPO stops the DMR row for an authorized BAS II period, DA automatically pays ENL BAS for the authorized period, leaving the SPO responsible for initiating a pay action request for BAS II for the authorized period.

**For example:** The authorized BAS II period is from 08/07/20 – 08/20/20 (14 days).

- 1) The SPO stops the DMR/CGSMR row with an end date of 08/06/20 and restarts the row on 08/21/20.
  - 2) When the DMR/CGSMR row stops, DA automatically pays the member ENL BAS for the entitlement period. In this case, the amount of \$173.93 (2020 ENL BAS rate of \$372.71/30 days\*14 days = \$173.93)
  - 3) The SPO will need to process a pay action request to pay BAS II for the entitlement period: \$173.93 (2020 ENL BAS rate of \$372.71/30 days\*14 days = \$173.93).
  - 4) The total BAS II entitlement paid to the member will be \$347.86 (ENL BAS of \$173.93 paid by DA; ENL BAS II \$173.93 initiated by the SPO).
-

## BAS II Check List

---

**Introduction** This section provides the SPO with a checklist prior to entering a BAS II transaction in Direct Access (DA).

---

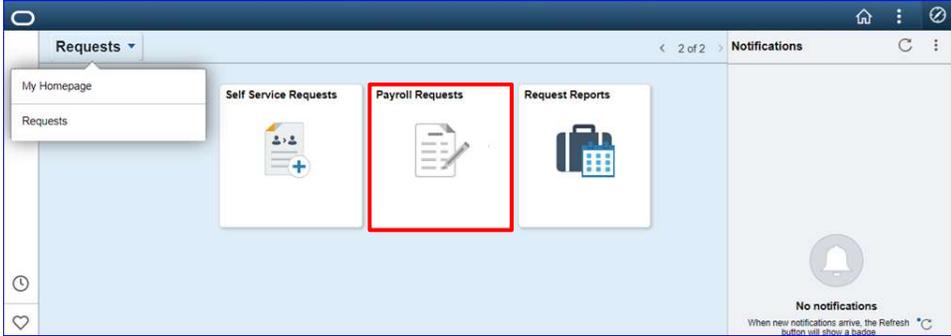

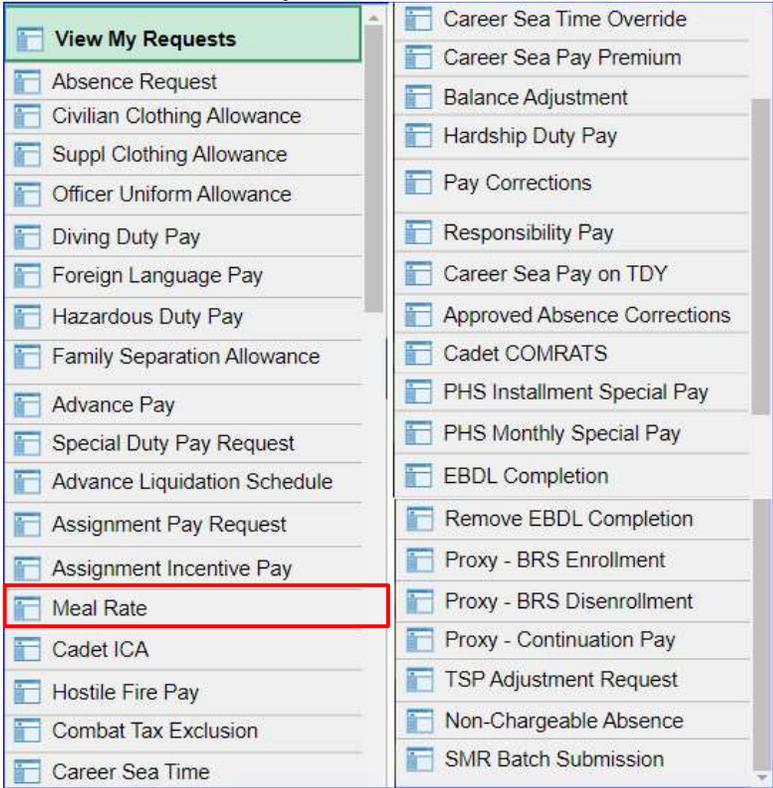

<u>Check</u>	<u>Action</u>
	Is the member separating from the Coast Guard soon? If yes, modify the BAS II period.
	Is the BAS II period for 14 days or more? <b>NOTE:</b> BAS II is not authorized for a period of less than 14 days.
	Does the member have an approved BAS II <a href="#">CG-7220G</a> and Authorization Memo from CG-1332?
	Was the CGSMR/DMR row stopped the day prior to the BAS-II authorization start date? CGSMR collection <b>MUST</b> be stopped in DA before scheduling the BAS-II payment.
	Was the CGSMR/DMR row restarted the day after the BAS-II authorization end date?
	Did the member receive Refund for Missed Meals during the BAS II period?
	Is the member single and assigned to Government Quarters or UPH?
	Did the member take leave during the BAS II period?
	Did the member PCS report or depart during the BAS II period?
	Was the member TDY during the BAS II period?

# BAS II and Retroactive Leave Transactions

**Introduction** This section discusses how retroactive leave transactions impact BAS II in DA.

**Leave vs. Retroactive Leave** If a member is drawing BAS II and leave is processed during the pay period it is taken, DA will adjust BAS II automatically. This prevents the member from being overpaid BAS II.

If leave is processed **retroactively** during a period BAS II was paid to the member, DA will create a system generated overpayment (SGO) for any BAS II paid during the leave period (see Example below).

**Example** BAS II and Retroactive Leave
