## Starting Family Separation Housing (FSH)

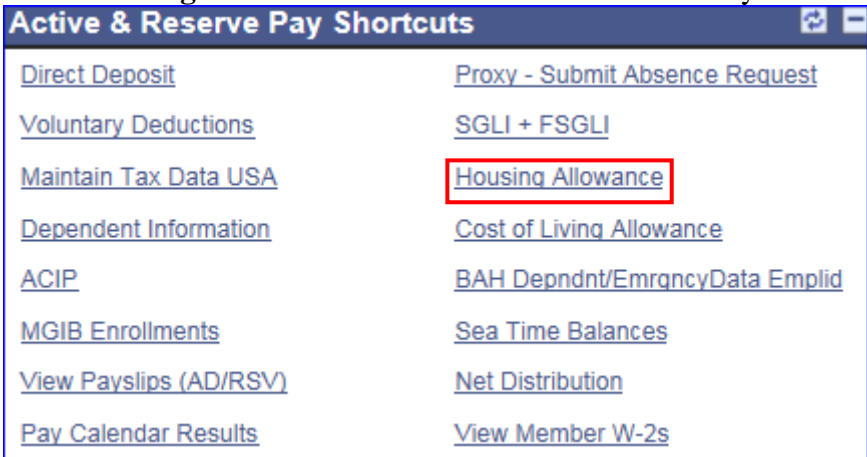

**Introduction** This section provides the procedures for starting FSH in Direct Access (DA). FSH may be authorized when a separation results from military orders and not because of personal choices of the member and dependents. FSH may be payable to a member with dependents for the additional housing expenses resulting from separation from the dependents when a member is assigned to an OCONUS PDS, or to a PDS in CONUS to which concurrent travel has been denied. FSH must be authorized by PSC.

**Known Issue** The system will not allow an FSH start if the Spouse-in-Service box is checked in Dependent Data. Here is the workaround:

1. Uncheck the Spouse-in-Service box in Dependent Data.
2. Save the Dependent Data.
3. Start the FSH.
4. Approve the FSH transaction.
5. Re-check the Spouse-in-Service box in Dependent Data.
6. Save the Dependent Data.

**LPC Row** A Legislative Pay Change (LPC) for Housing Allowance & COLA pages should never be deleted, unless it is immediately replaced with a corrected LPC row.

**Procedures** See below.
