Note 1: IAW JTR section 0902, member authorized OUTCONUS COLA if called/ordered to active duty for less than 31 days from an OCONUS location if there is no per diem authority.

Note 2: If PCS is directed, member is authorized BAH & CCOLA at new PDS location. If PCS is NOT directed, BAH & CCOLA is at the rate of the principal place of residence when the member was called/ordered to AD. For personnel accounting purposes, IADT orders are issued as Long Term/PCS even if the duration less than 140 days. This does not entitle the member to PCS allowances. Members ordered to IADT will also be issued a Reserve PCS (No cost) order to update the member's assigned unit. The PCS order must be endorsed prior to endorsing the IADT order.

Note 3: Yes if 140 or more days. No if 139 or less days. Reservists on orders for 140 or more days are entitled to CONUS COLA. See JTR, section 0804.
