Each year, the Coast Guard invests in the future of its officers and select enlisted members through numerous PG/Adv Ed opportunities. Although the immediate program goal is to develop those skills necessary for performance in specific billets, the long-term objective is to build a high level of both technical and managerial competencies among senior Coast Guard personnel. Please read all associated message traffic and the Active Duty Officer Postgraduate and Advanced Education Application Process Guide in its entirety to ensure compliance with current policy and procedures. These documents can be obtained by visiting the OPM-1 PG/Adv Ed Portal Page at https://cqlink.uscg.mil/952612b1.</p> <p>Applicants should apply to PG/Adv Ed by selecting Advanced Education in the drop down tab. Applicants should select from the available PG/Adv Ed programs.</p> <p>Officers may apply for up to three PG/Adv Ed programs.</p> <ol style="list-style-type: none"> 1. Applications for Civil Engineering and Civil Engineering (MBA) programs may be listed together and count as one choice. 2. Additionally, applications for the following programs count as one independent choice, and may be listed as a fourth, fifth, etc. choice in any order: <ul style="list-style-type: none"> Academy Instructor (including Academy Company Officer) Command and Staff Colleges (i.e., Army, Marine Corps, Navy) Marine Safety Industry Training (i.e., Investigations, Marine Environmental Protection, Merchant Marine, and Port Safety and Security) These are the only exceptions to the three-choice rule. Additional choices will not be considered. <p>Officers should carefully consider the order of program choices and list their most desired program first. This is important because if selected as a primary candidate for the first program on an applicant's list, the applicant will be removed from further consideration for the remaining programs on his/her list. No consideration will be given to officers wishing to change the priority order of their programs after the application deadline except in the case of program re-solicitations.</p> <p>Applicants should refer to the "E-Resume Submission" section of the Active Duty Officer Postgraduate and Advanced Education Application Process Guide for detailed instructions on submitting an E-Resume for PG/Adv Ed opportunities.</p> <p>Panel Source: Advanced Training Bus Unit: Enlisted ▼</p> <p>AD/Res Ind: Active Duty ▼ Job Code: <input type="text"/> 🔍</p> <p><input type="button" value="Search"/> <input type="button" value="Submit"/> Return to My Panel Submissions</p> <table border="1" data-bbox="320 1512 1396 1646"> <thead> <tr> <th colspan="5">Open Panels</th> <th>Personalize</th> <th>Find</th> <th>View All</th> <th>First</th> <th>1 of 1</th> <th>Last</th> </tr> <tr> <th>Panel Type</th> <th>Title</th> <th>Jobcode</th> <th>Exception Check Box</th> <th>Apply</th> <th colspan="6"></th> </tr> </thead> <tbody> <tr> <td>1</td> <td></td> <td></td> <td style="text-align: center;"><input type="checkbox"/></td> <td style="text-align: center;"><input type="checkbox"/></td> <td colspan="6"></td> </tr> </tbody> </table> </div>	Open Panels					Personalize	Find	View All	First	1 of 1	Last	Panel Type	Title	Jobcode	Exception Check Box	Apply							1			<input type="checkbox"/>	<input type="checkbox"/>
