

Payslips

Overview

Introduction

This guide provides the member with information and procedures to review their payslip in Direct Access (DA).

General Information

- The Payslip provides the user with a summary of their earnings, deductions, and leave for the pay period. Each month has two pay periods: a mid-month pay period from the 1st through the 15th of the month and an end-month pay period from the 16th through the last day of the month. Direct Access provides Payslips from **01 Jan 2015 to present**. If a Payslip is required from before 01 Jan 2015, a Trouble Ticket will need to be submitted to PPC.
 - Only the latest 24 payslips (12 months' worth) are available in DA. When a new payslip is populated, the oldest one will drop. PPC gets approximately 30-50 requests each month for copies of payslips that have already dropped from DA. PPC is NOT able to provide payslips after it drops from DA. It is strongly recommended that you download/print your payslips if you require hard copies.
 - For detailed information regarding the Leave Summary section see the **My Payslip Leave Summary** user guide.
