## Overview

---

### Introduction

This guide provides the member with information and procedures to review their payslip in Direct Access (DA).

---

### September to December 2020 Payroll Tax Deferment and Repayment.

On August 8, 2020, a Presidential Memorandum was signed to defer employees' OASDI deductions due to COVID-19. Per [ALCOAST 329/20](#), the employee portion of the Old Age, Survivors, and Disability Insurance (OASDI) segment of the Federal Insurance Contribution Act (FICA) tax was deferred for the months of Sep, Oct, Nov, and Dec 2020. These deferred payments are being collected from paychecks issued in January-December 2021 per [ALCOAST 013/21](#). Refer to the [Payroll Tax Deferral guide](#) to learn how the deferment and repayment are shown on the payslip.

---

### General Information

- The payslip provides the user with a summary of their earnings, deductions, and leave for the pay period. Each month has two pay periods: a mid-month pay period from the 1<sup>st</sup> through the 15<sup>th</sup> of the month and an end-month pay period from the 16<sup>th</sup> through the last day of the month. Direct Access provides payslips from **01 Jan 2015 to present**. If a payslip is required from before 01 Jan 2015, a Trouble Ticket will need to be submitted to PPC.
  - Only the latest 24 payslips (12 months' worth) are available in DA. When a new payslip is populated, the oldest one will drop. PPC gets approximately 30-50 requests each month for copies of payslips that have already dropped from DA. PPC is NOT able to provide payslips after it drops from DA. It is strongly recommended that you download/print your payslips if you require hard copies.
