

Annual Screening Questionnaire (ASQ)

Introduction This guide provides the procedures for a Reservist to submit their Annual Screening Questionnaire (ASQ) in Direct Access.

Information Federal law requires that all Ready Reservists; Selected Reservists (SELRES) and Individual Ready Reservists (IRR), be screened annually to ensure their availability and fitness for duty if mobilized. Coast Guard Reservists must submit updated information to their chain of command via the ASQ.

Reserve members serving on EAD contracts are not in the Ready Reserve and therefore, do not need to complete the ASQ. However, they should complete the ASQ as soon as possible following their release from active duty.

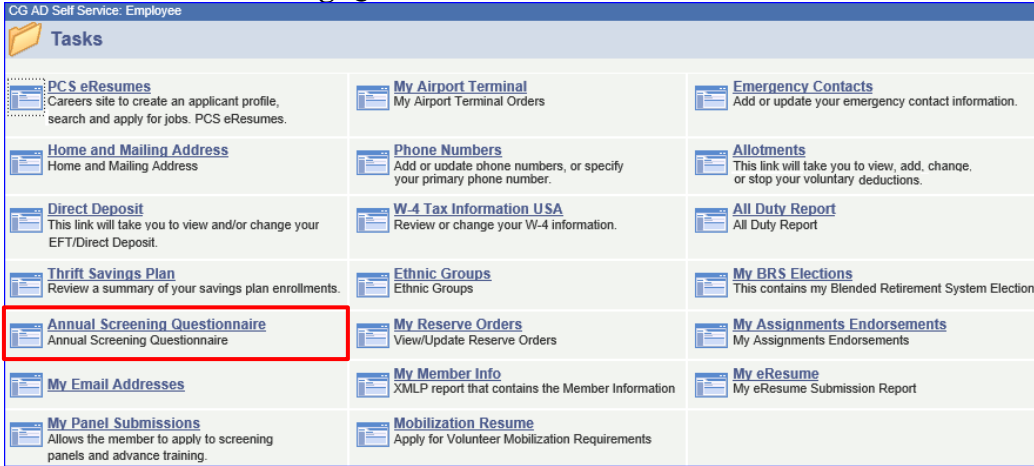

Members are **required** to submit an ASQ between **1 August and 31 October** each year but the ASQ may be submitted as often as necessary; however, only one can be completed in a calendar day. The questionnaire is designed to be done as often as the information or recall availability changes.

If an ASQ is submitted with “I do not understand or accept” or any recall status other than “Available for Recall,” the ASQ must be routed through the chain of command for further counseling.

3	<p>The Annual Screening Questionnaire will display with two tabs: the Questionnaire and Occupation Data. Both tabs must be reviewed before saving any changes. Review the ASQ Acknowledgement statement.</p>  <p>The screenshot shows the 'Annual Screening Questionnaire' interface. At the top, there are two tabs: 'Questionnaire' (selected) and 'Occupation Data'. Below the tabs, the title 'Annual Screening Questionnaire' is displayed, followed by 'Empl ID: 6655443' and 'Name: Jayne Cobb'. A red-bordered box highlights the 'Annual Screening Questionnaire Acknowledgement' section, which contains the following text:</p> <p>Annual Screening Questionnaire Acknowledgement</p> <p>As a member of the Coast Guard Reserve, I understand and willingly accept the following obligations:</p> <ol style="list-style-type: none"> (1) I am subject to involuntary recall and that I may be required to report with as little as 48 hours notice. Failure to report as directed is punishable under Article 86 of the Uniform Code of Military Justice (UCMJ) and a court-martial may direct punishment up to and including: dishonorable discharge, forfeiture of all pay and allowances, and/or confinement for up to one year. (2) I must comply with the requirements of Chapter 4 (Participation Standards) of the Reserve Personnel Manual (COMDTINST M1001.28A) and failure to comply with these standards may result in disciplinary or administrative action including involuntary recall to active duty or separation from the service. (3) I shall plan for contingencies in the care and support of my dependent family members and develop a family care plan if, I am a single parent, a dual-member couple with dependents, or married with custody or joint custody of a child whose non-custodial biological or adoptive parent is not my current spouse, or I otherwise bear sole responsibility for the care of children under the age of 19 or for others unable to care for themselves in my absence, or I am primarily responsible for dependent family members. Failure to have a family care plan may subject me to disciplinary or administrative action that can result in my separation from service and is not justification to avoid involuntarily recall. (4) If my deployability becomes impaired due to employment, family, medical, or any other condition(s), or if I am to be out of the country for greater than 30 days, I shall notify my command immediately in writing. I will work to resolve such issues through my chain-of-command, in accordance with Coast Guard policy, and understand that long-term issues that prevent my deployability can result in my transfer to the Individual Ready Reserve (IRR), the Standby Reserve, or administrative separation from the service. <p>Below the acknowledgement section, there are several sections:</p> <ul style="list-style-type: none"> Member's Response: Two radio buttons: <input type="radio"/> I understand and accept, <input type="radio"/> I do not understand or do not accept.
