

My Reserve Points Statement

Overview

Introduction This guide provides the procedures for you to view and print your Reserve Points Statement in Direct Access (DA). A new section was added to aid in verifying your information.

Information The Reserve Points Statement is **one of the most important documents** for a Reservist. Reservists should review the statement regularly and report any discrepancies immediately to their command.

Known Issue PPC ADV is aware of a data issue affecting the points statement summary for some Reserve members. This issue may cause inconsistencies in points totals, potentially dating back to 2014. While the problem has been resolved to prevent future inaccuracies, we encourage all members to review their points statements for accuracy.

The ADV Service Validation Team is actively reviewing and correcting past errors. Members nearing retirement (RET2 status) are being prioritized for this process. You will be individually notified if a correction is made to your points statement.

Corrections If any discrepancy is discovered on the statement, submit a request for correction with supporting documents via the chain of command to the P&A Office. In cases where the P&A cannot resolve, the P&A shall provide meaningful endorsement with any additional supporting documents available and forward the request to PPC Customer Care. Complete information for requesting corrections can be found at <https://www.dcms.uscg.mil/ppc/adv/points/>.

Important Need to Know Information

Introduction When reviewing your Reserve Points Statement these are key areas to verify.
 Provided by PPC – Advancements Branch

Important Keep in mind the difference between “Total Qualifying Years” and the checkbox for “Qualifying Years”.

- The Total Qualifying Years calculates “complete years” (365/366 days).
- The checkbox is for a year that qualifies as good for retirement (meets the minimum number of points).

Information See below.

For most members, your AYs should begin on your Date Initially Entered Military Service (DIEMS).</p> <p>Example: Member has Delayed entry and points were built from Active Duty Base Date (ABDD), not DIEMS.
