2.A.2 PCS/TEMDUINS Orders

2.A.2.1 Introduction
This section provides an overview of entitlements and options for members ordered PCS/TEMDUINS.

2.A.2.2 Household Goods
Members ordered PCS/TEMDUINS to an “A” school for a period less than 20 weeks are authorized to store their Household Goods (HHG) at their current Permanent Duty Station (PDS) in non-temporary storage (NTS). Once assigned to a new PDS, shipment of HHG to the new PDS is authorized.

2.A.2.3 Shipment of POV
The following restrictions apply for members who are ordered PCS/TEMDUINS from OUTCONUS:

- Members can elect to leave their POV at the current PDS and execute a power of attorney allowing a responsible individual to act on their behalf once they are in receipt of orders to their new PDS.
- Members, who elect to ship their POV while in receipt of TEMDUINS orders, are liable for all excess costs incurred.
- Members must pay the entire cost of transportation if a PCS authorization is not issued later.
- The authorization is specific to the Vehicle Processing Center (VPC): the entitlement is limited to the VPC closest to the new PDS.
- Members electing to transport their POV ICW PCS/TEMDUINS to A-School for less than 20 weeks must be counseled IAW JFTR, par. U5440-D.

2.A.2.4 Storage of POV
Long term storage of POVs is limited to those members in receipt of PCS orders to a country in which the POV cannot be shipped.
Note: Consult the processing VPC as to time limits applicable to pick-up.

Continued on next page
2.A.2.5
Travel/Transportation of Dependents

The following restrictions apply to dependents of members in receipt of TEMDUINS orders:

- Dependents are authorized to remain in government housing pending eventual PCS assignment.
- Dependents are authorized to remain in the vicinity of the current PDS pending eventual PCS assignment.
- Dependent entitlement cannot exceed the entitlement from the previous PDS to the next PDS.
- Dependent travel and transportation allowances are not authorized when members are assigned to a school as a student if the course of instruction is less than 20 weeks (JFTR, par. U5201-B1b applies).
- Dependent travel and transportation allowances commence upon member’s receipt of PCS orders to the new PDS.
- A member authorized a housing allowance based solely for the purpose of paying child support is not authorized PCS travel entitlements for that dependent child(ren).

2.A.2.6
If transporting POV ICW PCS/TEMDUINS

The following statement is placed on orders by PSC-epm-2:

Members assigned to an OCONUS unit who receive PCS/TEMDUINS orders to A-School for less than 20 weeks can elect to transport their privately owned vehicle (POV) under provisions of JFTR, par. U5440-D. JFTR, par. U5440-D states that POV transportation is permitted before PCS authorization/order is issued (i.e. prior to issuance of PCS orders from A-School) provided you agree by signing these orders that: You are financially responsible for the entire cost of transportation if a PCS authorization/order to authorize POV transportation is not later issued, or that you agree to pay any additional costs for POV transportation based upon the location of your new PDS. Should you elect to transport your POV, your authorization is from the POV port/Vehicle Processing Center (VPC) serving your OCONUS unit to the POV unloading port/VPC serving the PDS that will be identified at some time during your A-School assignment. If you receive orders back to your PDS or to another OCONUS PDS or to a PDS where transportation charges to the POV port/VPC exceed transportation charges to the POV port/VPC where you shipped your POV ICW your A-School assignment, you are financially responsible for excess POV transportation charges.

2.A.2.7 BAH for members with dependents

See Coast Guard Pay Manual, COMDTINST M7220.29 (series), Section 3.G.5 (BAH-Assignment Situations, Members in transit) for guidance on the payment of BAH for members with dependents assigned PCS/TEMDUINS.

- The same rules apply to members en route PCS as to members assigned TEMDUINS.
- These members continue to receive BAH at the locality rate for their old PDS while TEMDUINS, unless the member had a previously approved BAH-rate protection request in place, in which case they would continue to receive BAH at the locality rate for their dependent’s location/previous PDS.
- BAH is not payable while the member’s dependents occupy government quarters at the old PDS.
- A BAH rate protection request must be submitted and approved by PSC (psd-fs), per Section 3-C (PAYMAN), in order for the SPO to pay BAH for any locality other than the member’s old PDS or as provided in a previously approved BAH rate protection request.
2.A.3 PCS Departing Checklist

2.A.3.1 Introduction

Use this check list to assist the member, unit, and SPO in completing all necessary tasks required for departing PCS; and in conjunction with the Overseas Transfer Checklist (see section 2-A-4) for members transferring OUTCONUS.

2.A.8 PCS Advance Request (Via Web-TPAX)

2.A.8.1 Introduction
This section provides the procedure for a user at the Servicing Personnel Office (SPO) to submit requests for travel advances via TPAX.

2.A.8.2 Getting access to the ASP function
Advance Signature Proxy (ASP) – This function is for SPOs. This permission/designation is granted after the completion of a new form CG-7421A (http://www.dcms.uscg.mil/ppc/pd/forms/). Complete the form, have it signed by the SPO supervisor and fax it to the number on the form. You will be contacted, via e-mail, after your account has been modified to allow access to the ASP function.

2.A.8.3 Procedure
Refer to the Requesting a PCS Travel Advance Web-TPAX user guide for data entry procedure.

Note: A completed original PCS Travel order signed by the Approving Official must be scanned and uploaded to Web-TPAX to request a PCS travel advance. Before you begin the advance request ensure the PCS travel advances are correctly listed on the order. The PCS order must show what is being requested and at the 80% amount as shown in the example below:

MEMBER PER DIEM             _______ @ 80% _________
MEMBER MALT                 _______ @ 80% _________
DEPENDENT(S) PER DIEM       _______ @ 80% _________
DEPENDENT(S) MALT           _______ @ 80% _________
DLA                         _______ @ 80% _________

TOTAL                       _______ @ 80% _________

PCS TRAVEL ADVANCE AUTHORIZED FOR $ __________

Do not submit the PCS advance to PPC more than 35 days before the member detaches. The additional five days accounts for processing time and making payment to the member. Per the Coast Guard Supplement to the Joint Federal Travel Regulations (CGS-JFTR), COMDTINST M4600.17(series), par. 5020, payment of advances must not be made more than 30 days before the member detaches, except under extenuating circumstances. If you need to submit a PCS advance to PPC more than 35 days due to extenuating circumstances, the SPO Approving Official must submit a PPC Customer Care Ticket with details.

2.A.11.1 Introduction
This section guides you through the process of receiving reimbursement for the shipment of your Privately Owned Vehicle (POV) should you choose to personally procure transportation (JFTR, par. U5417).

2.A.11.2 Procedure
Keep in mind the following procedural items when applying for reimbursement:
- Member must receive approval for shipment prior to detachment from the old Permanent Duty Station (PDS).
- Requests to ship a vehicle are made on the PCS Departing/Separation Worksheet (CG-2000).
- The Servicing Personnel Office (SPO) must determine eligibility, do the computations and counsel the member concerning entitlement and reimbursement limitations.
- PCS orders must be annotated to authorize transportation to include the maximum reimbursement computation.
- Reimbursement is limited to the transportation of one (1) authorized POV.
- This is a member-with-dependents entitlement.
- Member and/or eligible dependent(s) must possess more than one POV to be relocated to the new PDS.
- Member and dependents must travel at one time in one POV.
- Transportation costs should not exceed the remainder of the MALT-Plus for driving two POVs to the new PDS.
- Member is financially responsible for all excess costs/additional expenses associated with POV transportation.
- Commercial travel at Government expense is not authorized for the member or any dependent if reimbursement for vehicle transportation within CONUS is authorized.

2. A.12 Designation of Ports of Embarkation, Ports of Debarkation, and Vehicle Processing Centers

2.A.12.1 Introduction
This section provides guidance on POV shipping and travel options when conducting a Permanent Change of Station to/from a CONUS location to/from an OCONUS location and the designation of Ports of Embarkation (POE), Port of Debarkation (POD), and Vehicle Processing Centers (VPC).

2.A.12.2 References
(a) Joint Federal Travel Regulations (JTR), Chapter 5
(b) U. S. Coast Guard Supplemental to Joint Federal Travel Regulations (CGS-JFTR), par. 5015

2.A.12.3 Procedure
Designated passenger POE, POD, and VPC servicing a member’s old and new permanent duty station (PDS). However, members traveling from/to a CONUS PDS to/from an OCONUS PDS by mixed modes (POC and commercial carrier) may be authorized to travel to/from an authorized alternate CONUS POE/POD, and/or VPC. The following chart lists authorized alternate locations (some of which are the same as the designated locations) for which mixed mode travel would be authorized. Travel to/from a location other than the designated or authorized alternate location would be considered circuitous travel for which actual travel and transportation expenses would be reimbursed up to the travel and transportation costs to/from the authorized alternate location. Per the JFTR, par. U5448-C, a member is responsible for any excessive POV shipping cost beyond the cost to ship to/from the designated VPCs. A member electing POV shipment from/to a designated CONUS VPC may be authorized MALT plus to drive another vehicle (i.e., up to two POCs for a member with dependents) to/from the authorized alternate CONUS POE/POD, the circuitous travel rules above would apply for a member traveling by mixed modes to an alternate non-official location (e.g., leave location). Per the JFTR, par. U5210-B and CGS-JFTR, par. 5210, payment of MALT for more than two POCs requires authorization/approval by COMDT (CG-1332), this does not affect the POV shipping entitlement.

A member performing PCS travel solely by commercial carrier via an alternate non-official location would be authorized the costs for travel not to exceed the policy constructed airfare for the designated locations (i.e., designated POE/POD or if applicable designated VPC).

One or more of the following conditions must be met before requesting authorization for PCS travel by more than two POCs.

A. More than eight family members travel together by POC, including the member.
B. Because of age or physical condition, a dependent requires special accommodations in one vehicle and the second and third vehicles are required for other family members.
C. A member must report to a new duty station in advance of travel by dependents who delay travel for acceptable reasons (school term completion, property sale, settlement of personal business, HHG transportation, or non-availability of adequate housing at the new PDS) and five or more dependents travel by POC later.
D. Five or more dependents travel unaccompanied by POC between authorized points other than those for the member’s travel (e.g., travel to a designated place or to the new PDS when member has TDY en route).
E. Five or more dependents travel unaccompanied by the member to the new duty station in advance of the member’s reporting for acceptable reasons (to enroll children in local school).
F. Special circumstances such as travel via ALCAN Highway where extra spare tires, parts, and tools are to be carried.

2.A.16.3 Travel by More Than 2 POCs Authorization Request Procedure
The command from which the member is departing shall submit requests for approval of PCS travel by more than two POCs to Commandant (CG-1332) well in advance of the members (or dependents) planned departure date. Requests shall be submitted by memo (Fax to (202) 475-5927), record message traffic, or email to compensation@uscg.mil.

2.B.1 The Temporary Duty (TDY) Order

2.B.1.1 Introduction

It is critical for Coast Guard travelers and their supervisors to understand the administrative responsibilities for completing and reviewing TDY Travel Orders and Travel Claims.

2.B.1.2 For the Traveler

The traveler remains the single most important person involved in the travel claim liquidation process. Without a properly completed claim, full reimbursement is not possible.

2.B.1.3 Purpose of a TDY Order

The Temporary Duty (or TDY) Order establishes the conditions for official travel and transportation and provides the basis for traveler entitlement and reimbursement. An effective TDY Order provides information that is clear, complete, and follows applicable regulations/Agency Policy.

2.B.1.4 Requirements for a TDY Order

The written TDY order is a document that meets several practical and mandated administrative requirements. The travel order expresses:

- Detailed information for personnel or agencies to provide support services to the traveler, (i.e., Travel Management Centers, Commercial Ticketing Offices (CTO), Transportation Officers, etc.).
- Accounting information to enable correct funds accounting.

*Continued on next page*
2.B.1 The Temporary Duty (TDY) Order, Continued

2.B.1.5 Information elements

The TDY Order must answer several elemental questions. The questions are:

- **WHAT** mode of transportation is authorized and/or directed?
- **WHAT** type of quarters are authorized and/or directed?
- **WHAT** type of messing is authorized and/or directed?
- IS the traveler a government travel charge card holder?
- **WHAT** is the maximum amount of travel funds authorized?
- **WHAT** is the accurate Travel Order Number (TONO) and Accounting line data?
- **WHAT** are the specific reimbursable expenses that must be pre-authorized on the Travel Order, (i.e., Conference costs, Registration fees, Rental vehicle and size authorization, Communication services, Excess baggage, etc.)?

2.B.1.6 While You Are Traveling

Obtain receipts for **ALL** expenses while you are traveling. Although itemized receipts are required only for lodging, rental vehicles, air fare and individual expenditures of $75 or over, the receipts you collect during your trip act as a record of expenses and are an invaluable tool when you complete your travel voucher.
2.B.2 The Travel Claim Process and Responsibilities

2.B.2.1 Introduction
This section outlines the travel claim process and shows the responsibilities associated with each stage of the travel claim process.

2.B.2.2 Integrated Automated Travel System
The Coast Guard uses a system called Travel Preparation and Examination (TPAX)/Integrated Automated Travel System (WINIATS) for the liquidation of travel claims which facilitates processing and liquidation in just a few days.

2.B.2.3 Process
This table shows the manual travel claim process and responsibilities.

2.B.3 Travel Preparation and Examination System (WEB-TPAX) Process

2.B.3.1 Introduction
TPAX is an application that provides standard drop-down menu boxes and tabs to complete and process TDY transactions.

2.B.3.2 Benefits
Utilizing stored data from the TPAX Travel Order to complete the TPAX Request for Travel Settlement eliminates paperwork and improves data accuracy.

- Increased percentage of correct entitlements and payments for travelers.
- Per Diem rates are available to ALL system users on a “real-time” basis.
- Travelers can verify/inquire about the status of all claims on-site by accessing the TPAX main menu.
- A single system creates and produces ALL travel documents necessary to execute government travel.
- Eliminating manual processes decreases reimbursement cycle time.

2.B.3.3 Description
Travel Preparation and Examination System (TPAX) is a software application designed to run on Coast Guard Network thru the Standard Workstation or a VPN connection. TPAX provides an electronic link between the traveler, the Authorizing Official and the Integrated Automated Travel System (WINIATS). WINIATS is the software application used by PPC (tvl) to compute claim/voucher entitlements and transmit the information to FINCEN for payment.

2.B.3.4 Purpose
TPAX has been developed to be the primary TDY Travel Claim Settlement System for the U.S. Coast Guard.

2.B.3.5 Uses
TPAX is used to create Temporary Duty (TDY) Travel Orders, Request for TDY or PCS Travel Advances and/or Requests for TDY Settlement (it is not used for PCS authorizations or claims at this time).

2.B.3.7 Critical Elements

These “Critical Elements” should be addressed to successfully manage the TPAX process at your unit:

**Number of Approving Officials (AO’s).** Unit commands should designate enough AO’s to establish internal controls to ensure only mission critical travel is approved and cannot be achieved by a less-expensive method, ensure funds are properly managed and obligated, and approve only legal and accurate travel transactions. AO’s should have enough time to ensure documents are carefully reviewed before approval and not signed merely as a formality. The number of AO’s should be dependent upon mission, number of travelers, other duties assigned, and avoiding process delays. It is recommended that one AO be designated in each section, or otherwise at a ratio of 1:12.

**Obligating Travel Funds.** TPAX *does not* obligate travel funds. Normally, the obligating of funds is done prior to creating travel orders. Coordinate the flow & timing of this activity with Accounting or Admin offices. Develop internal procedures that streamline and coordinate this activity at your unit.

**Empowering TPAX Approving Officials.** The TPAX AO cannot approve a TPAX transaction without first having a valid TONO and “Line of Accounting String”. Develop internal procedures that streamline and coordinate this activity at your unit.

**Record-keeping.** Per Information and Life Cycle Management Manual, COMDTINST M5212.12 (series), General Records Schedule 9, the unit controlling the authorization of travel must maintain copies of records relating to reimbursing individuals, such as travel orders, per diem vouchers, and all supporting documents relating to official travel. These official travel records shall be maintained for a period of six years.

Per National Archives and Records Administration (NARA), General Records Schedule 6, item 1a, the traveler is required to maintain complete and accurate records of all travel claims for 6 years and 3 months.

2.B.3.7 Critical Elements (continued)

Airline or Hotel Reservations. It is mandatory policy that all travelers use the designated Travel Management Center for all official transportation requirements. Failure to do so could result in transportation reimbursement being denied or limited to the City Pair contract rate.

Hotel Reservations: When making lodging reservations, travelers shall use the Travel Management Center or reserve a room directly with the hotel/chain (including the hotel’s online website). Third party lodging reimbursement is authorized for hotel lodging obtained through an online booking agent only when the traveler can provide a documented itemized receipt for room costs from the hotel or online booking agent showing the following charges: Daily hotel room costs; Daily hotel taxes; and Daily miscellaneous fees, if applicable.

Rental Car/GARS: It is mandatory policy that a traveler uses an available Contracting Travel Office (CTO) to obtain the least expensive authorized/approved rental vehicle. Use of a company and rental car location participating in the Defense Travel Management Office (DTMO) rental car agreement is encouraged because its GOV’T rate includes full liability and vehicle loss and damage insurance coverage for the traveler and the GOV’T. DTMO vehicle rental agreements apply to all Uniformed Services. When an available CTO is not used, reimbursement is limited to what the cost would have been if a CTO had made the rental vehicle arrangements. When filing a travel claim, list the rental car charges separate from the rental car GARS charge.

User Identification and Passwords. User identification and passwords are the most common method of controlling access to the system. Identification involves the identifier or name by which the user is known to the system (e.g., user). Each user should have a unique user identification (Normally the member’s Employee ID Number) and password. Passwords must be nine characters long and must be alphanumerical (no special characters, such as @$!?). TPAX passwords are case sensitive. The traveler is required to change their password and confirmation codes every 90 days. WEB-TPAX is Common Access Card (CAC) enabled allowing travelers to auto login once their CAC card is linked to their Logon ID. This eliminates the need for logon passwords although secondary passwords remain for orders/claim document approval. Share ID or PIN is a violation of current regulations and could result in TPAX accounts being locked to prevent use.

If the user is authorized more than one type of access (Proxy or AO) they must select the **View** menu item and change their view to access the additional privileges. After completing actions as a Proxy or AO, the user must select the **View:** **Traveler** option to complete the TPAX logout process or to work on or view their own requests and settlements.

**Section B**
**Temporary Duty**

**Movement of Personnel**
**Rev. 03 June 2015**
**2-B-11**
2.B.4 The TPAX Traveler Role

2.B.4.1 Introduction
The basic user access level in TPAX is called “TRAVELER”.

2.B.4.2 Authorized TPAX Travelers
Any Coast Guard active duty, reserve, and civilian employees having access to CGSWSIII or VPN can use TPAX as a “TRAVELER”. Passwords must be carefully guarded and not shared. Individuals w/o uscg.mil or dhs.gov email addresses, without access to the CG Network must submit manual claims until TPAX is made available on the internet.

2.B.4.3 Non-TPAX Travelers
Other travel customers/claimants must continue to submit paper-based travel claims, using form DD-1351-2. These customers must mail their travel claims to PPC for processing (see page 2-B-48 for address specifications). These travelers must consult the unit controlling the authorization of travel for guidance, assistance and review of the travel voucher.

Non-TPAX Travelers are:

- Anyone who does NOT have access to CGSWSIII
- Other service members or civilians traveling on behalf of the USCG that do not have uscg.mil or dhs.gov email addresses
- Dependents
- Non-appropriated fund activity employees
- Members who separate or retire from the service (who depart their unit)
- Coast Guard Auxiliarists that do not have uscg.mil or dhs.gov email addresses

2.B.4.4 Traveler Database
PPC (tvl) downloads, maintains and updates the customer database once every two weeks, following the JUMPS payroll update cycles. This updates unit OPFACs and addresses, member names and ranks. Members must keep other profile information (e.g. home address, phone numbers, e-mail address, default AO, etc.) up to date.

2.B.4.5 Problems with Traveler Database
Each TRAVELER profile is linked to a Unit OPFAC number. If you have an employee/member assigned to your unit who is unable to access TPAX, contact PPC Customer Care for assistance:

Phone: 1-866-772-8724 or 1-785-339-2200.
2.B.5 The TPAX Proxy Role

2.B.5.1 Definition
A Proxy is a person designated to create (but not sign for or deliver) travel documents (travel orders and claims) for another individual.

2.B.5.2 Who Can Be a Proxy
Any traveler can act as a Proxy for another member of the same unit.

2.B.5.3 Limits
Travel documents prepared by a Proxy can only be forwarded to the traveler. Corrections are sent to the Traveler not Proxy. A Proxy cannot serve as both Proxy and AO.
2.B.6 The TPAX Full Signature Proxy Role

2.B.6.1 Definition
A Full Signature Proxy is a person designated by a traveler to create, sign for, and forward travel documents.

2.B.6.2 Who Can Be a Full Signature Proxy
Any person can be designated a Full Signature Proxy by a traveler.

2.B.6.3 Designation Procedure
The traveler designates the Full Signature Proxy in their personal profile. Corrections are returned to the FSP. The member is held accountable for the actions of the FSP and the member’s travel documents.

Note: A member cannot serve as both the Full Signature Proxy and Approving Official.
2.B.7 The Approving Official (AO) Role

2.B.7.1 Introduction

The Approving Official (AO) authorizes travel, approves expenses and forwards e-claims to PPC. Each unit must designate AO’s to approve their TPAX transactions and manual travel claims. PPC (tvl) controls the maintenance of AO privileges in TPAX for all units. Remember: AO’s are required to physically possess the original orders and all required receipts for the advance or settlement request prior to electronic approval of claims. Once approved, all documentation shall be returned to the traveler and informed to maintain for six years and three months.

2.B.7.2 Who Can Be an AO, and references with which an AO should be familiar

Any E-5, GS-7, or WS-8 and above, operating in the capacity of supervisor or manager who possesses an understanding of Government travel regulations and DHS/CG travel policy can be designated as an AO.

These official travel records shall be maintained for a period of six years and three months.

- The Approving Official Checklist and Travel AO Course is available to assist AO’s in completing their duties.

2.B.7.4 Designation

TPAX profiles must be set up with complete and accurate general information prior to faxing a request for TPAX AO designation. TPAX AO designation requests without a member's basic profile are not updated in TPAX by PPC.

2.B.7.5 Procedure

To designate an AO, complete TPAX Approving Official (AO) Designation form, CG-7421A (http://www.uscg.mil/ppc/forms/).

1. Complete the blocks 1-7 of the form at the unit level, signatures required in blocks 13-14. Block 13 must be in the member’s supervisory chain of command.
2. Fax the form to PPC Travel at (785) 339-2296.
3. Within 3 business days of receipt, PPC Travel enables AO privileges in TPAX.

Note: Each form supersedes the previous so all forms should be inclusive of permissions.

2.B.7 The Approving Official (AO) Role, Continued

2.B.7.6 Terminating Privileges

To terminate TPAX AO designation and privileges a supervisor within the command submits a PPC customer service ticket.
2.B.8 Unit Command Representative (UCR) and Customer Service Representative (CSR) Roles

2.B.8.1 Introduction
Unit Commands can designate a Unit Command Representative (UCR) and/or a Customer Service Representative 2 (CSR2) to provide tier 2 level support to unit personnel.

**Unit Command Representative (UCR):** UCRs perform administrative activities and have the ability to run unit ADHOC queries based on a specific set of criteria as determined by the local command. These queries could contain privacy act or personal identification information data that is to be used only for official purposes in the performance of official duties and only within the user’s AOR. UCRs are cautioned on the subject of running queries without the local command’s approval. Additionally, UCRs have the ability to access Unit Web Audit reports from the PPC website at: http://cgweb.ppc.uscg.mil/TRAVEL/AUDITS/default.asp.

**Customer Service Representative 2 (CSR2):** CSRs have the authority to review all CG travel accounts in TPAX, to assist members with questions, research travel issues, provide necessary instruction/assistance, for audit support purposes, or for other official job duties as authorized by PPC Travel. CSR2 permissions are granted on a case by case basis, for a specific purpose and duration.

2.B.8.3 Designation Procedures
Units can designate a representative by completing form CG-7421A, checking the respective block. For CSR2 permissions, unit must indicate specific purpose and duration. PPC Travel reviews before access is granted.

2.B.8.4 Terminating Privileges
To terminate UCR privileges a supervisor within the command submits a PPC customer service ticket. CSR2 privileges are terminated based on the end of the period designated on the application form CG-7421A. *NOTE: All privileges automatically expire one year from the date of command signature on form CG-7421A.

- Claims received from units are NOT returned.
- Claims that do not result in an overpayment of travel entitlements and have original orders and/or receipts are returned to traveler using their most current mailing address in TPAX.
- Initiate and post a web based Pending Audit Report for units. This report can be found at: [http://cgweb.ppc.uscg.mil/TRAVEL/AUDITS/default.asp](http://cgweb.ppc.uscg.mil/TRAVEL/AUDITS/default.asp)

2.B.12 TPAX Audits (Reviews), Continued

2.B.12.4 Audit Status Reports

To assist travelers and commands in tracking the status of audit requests, PPC and FINCEN have reports on the web. It is encouraged that your unit run the report monthly.

The most recent audit request reports can be accessed the first week of each month via the PPC intranet (CGWEB) page at: http://cgweb.ppc.uscg.mil/travel/audits/. Enter the unit 7 digit OPFAC in the search box to find the link to your unit page, which contains 5 reports: 1st requests; 2nd requests; 3rd requests; suspended requests; and requests being recouped.

Travelers can also view audit request status by going to the FINCEN website http://cgweb.FINCEN.uscg.mil/tvs_aux2/ (Intranet/CGWEB). This shows the following information on a requested audit: claim number, TONO, travel dates, dates of requests, date received at PPC, date suspended, suspension end date, date cancelled, date returned to the traveler for further documentation, and date when the audit was completed.

2.B.13 Amendments to Orders

2.B.13.1 Amendment to Orders

Orders can be amended after-the-fact to document verbal authority given during the TDY and PCS travel period when unforeseen circumstances emerge that require the traveler to incur costs not originally anticipated.

The Order Issuing Official who directed and funded the travel makes amendments to the Orders. The amendment should identify:

- Traveler
- TONO/ACCTNG Data
- Entitlement specified
- Reason for change
- Authorized Official Signature (Original signature in ink, not stamped or color copies)

Amendments are done on memo, letterhead, e-mail, or handwritten note and attached to the original TDY order. Amendments require the AO's name and EMPLID printed/typed with their original handwritten signature in ink.

2.B.13.2 When Amendments Are NOT Authorized

There are some provisions that, if not authorized in the TDY order BEFORE travel starts, CANNOT be approved for payment after travel is completed.

Example: An order DIRECTING use of common carrier cannot be amended after the fact to permit some other form of transportation when common carrier was the order issuer’s intended form of transportation for the member.

2.B.13.3 Amendments Cannot Be Used to Deny an Entitlement

Under NO CIRCUMSTANCES can an order be amended after the fact to deny a travel entitlement originally contained in the travel order.

Example: Orders cannot be revoked or modified retroactively so as to increase or decrease the rights that have accrued or becomes fixed, after the travel has been performed.

After travel is completed, an authority cannot retroactively modify travel orders to direct a reduced per diem rate when a commercial meal rate was initially authorized.

2.B.13 Amendments to Orders, Continued

2.B.13.4 Amendments to Training Quota Management Center Orders

Orders issued by the Training Quota Management Center (TQC) can be amended by the unit AO to reflect alternate means of travel to and from TDY location. Cost of alternate travel cannot exceed the constructed cost of the GTR. Unit AOs can also authorize and amend orders to cover remain overnights (RON). Unit authorization of RON is limited to delay in travel due to weather, missed connections due to late arrival of a flight, and to accommodate travel IAW JTR, par. U3006. RONs are not authorized for personal convenience. IAW JTR, par. U3015-C and APP G, the AO can authorize/approve excess accompanied baggage.

Rental vehicles and change in course dates must be approved by TQC. To request an amendment, contact the POC for the related course at: http://www.uscg.mil/hq/tqc/TQC_phone_list.asp. If approved, TQC replies with an e-mail amendment that must be printed and signed by the unit AO and placed with the original orders.
2.B.14 Blanket Travel Orders

2.B.14.1 Definition

A Blanket Travel Order is a TDY Order issued to a traveler who regularly and frequently makes trips away from the PDS within specific geographical limits for a specific time period within a fiscal year in performance of regularly assigned duties.

2.B.14.2 Reference

(a) Joint Federal Travel Regulations (JTR), par. U2225.

2.B.14.3 Requirements

Blanket Travel Orders must meet the following requirements.

- Be an order for an individual.
- Define the time period covered by inclusive dates.
- Inclusive dates to not cross fiscal years (30 Sep/01 Oct).
- Define the geographic area in which travel can be performed.
- The reason(s) making the blanket/repeat TDY order necessary.
- Excess accompanied baggage authorization, if necessary; and
- Other conditions, limitations, and instructions appropriate such as the use of GOV’T QTRS/dining facility/mess is required if available to the member.

For geographic area(s) the Blanket Travel Orders must list the following:

- Unlimited Open. Allows the traveler to travel anywhere on official business without further authorization for a specified period of time within a fiscal year.

- Limited Open. Allows the traveler to travel on official business without further authorization under certain specific conditions, i.e., travel to specific geographic area(s) for a specific purpose(s), subject to trip cost ceilings, or for specific periods of time within a fiscal year.

- Repeat. Allows the traveler to travel on official business without further authorization to a specific destination for a specified period of time within a fiscal year.

2.B.14 Blanket Travel Orders, Continued

2.B.14.3 Requirements (Continued)

The following types of travel must be authorized on a trip-by-trip basis;

- Other than economy/coach-class transportation
- Conference travel
- Foreign travel
- Travel funded from a non-federal source
- Training-related travel
- Travel by volunteers and invitational travel

Note: Generic actual expenses allowance is not authorized on blanket orders. If necessary, an amendment to the order must be completed.

2.B.14.4 Monthly Order

The period covered by a Blanket Travel Order that is one month in duration.

2.B.14.5 Quarterly Order

In a situation of almost constant travel (e.g., the sum of the TDY travel is expected to be 1 out of 3 months), a quarterly travel order could be appropriate.

2.B.14.6 Order For a Period in Excess of a Quarter

Only under the most continuous travel circumstances (e.g., the sum of the traveler's TDY period is expected to equal or exceed 6 months) should a Blanket Travel order for a period in excess of a quarter be issued.
## 2.B.15 Group Travel Orders

### 2.B.15.1 Definition
A group Travel Order is a no cost order that covers a group while traveling between the permanent duty station and a TDY location or between TDY locations. No cost travel orders do not require submission of a travel claim.

### 2.B.15.2 Reference
(a) Joint Travel Regulations (JTR), pars. U4102-O and U2015.
(b) Military Assignments and Authorized Absences, COMDTINST M1000.8(series), 1.G.12.b(Exhibit 1.G.1).

### 2.B.15.3 Travel Entitlements
Group travel affects travel entitlements for travelers of the group ONLY while traveling between locations. Group travel has no impact on travel entitlements for travelers of the group while at TDY location(s).

- For unexpected expenses, attach a Claim for Reimbursement for Expenditures on Official Business, form SF-1164 to orders.

### 2.B.15.4 Identifying the Travelers
The name of the senior traveler of the group is to appear on the order with other travelers listed on an attachment that is a part of the order.

Example: TO: LTJG/O2 SAFE T. HATCH 000-00-0000, USCGR and group (see attached)

- This procedure generally enables changing only the attached list when the membership of the group changes before travel begins.
- If the senior member changes, the basic order must be redone.

*Continued on next page*
2.B.15 Group Travel Orders, Continued

2.B.15.5 Preparing the Attachment

The attachment must list and fully identify each traveler of the group by the following information:

- rate/rank/grade
- name
- employee ID number
- document identification number suffix

**Note:** The document identification # for each member must be the same EXCEPT each traveler must have a unique suffix specifically identifying that member. The command and staff symbol and duty phone need only be shown if the travelers are from different commands than that of the senior member.

The last entry must be “AND NO OTHERS”.
2.B.16 Leave and Liberty Combined With TDY Travel

2.B.16.1 Introduction
A traveler could sometimes combine leave and/or liberty (LV/LIB) with TDY travel.
• The member could be…
  • Taking LV/LIB time to depart on TDY early or
  • Taking LV/LIB time and returning from TDY late
An entry in the "remarks block" of the travel order specifying the traveler’s LV/LIB status in connection with TDY travel is required. The entry needs to denote the travel status "constructively" begins on the necessary departure date and/or ends on the necessary return date, exclusive of LV/LIB time.

The traveler notes LV/LIB in the itinerary section 15 of DD-1351-2.

2.B.16.2 Rationale
TDY Orders where LV/LIB liberty is combined with travel MUST be annotated to prevent per diem from being erroneously paid for liberty days. THERE ARE NO TRAVEL ENTITLEMENTS EARNED DURING LEAVE OR LIBERTY.

2.B.16.3 Example 1: Member Departs Early
Situation: Travel that should commence on January 8 but actually commences on January 6.
Entry: “You are to depart for TDY on 08JAN(YR) for about 6 days. You are authorized to depart on 06JAN(YR) in a liberty status. Travel status for per diem begins constructively on 08JAN(YR). Note on your travel claim in block 16 the time and date your official duties at the TDY site began.”

2.B.16.4 Example 2: Member to Return Late
Situation: Travel that should commence on January 8, and should end back at the permanent duty station on January 13 but actually ends on January 15.
Entry: “You are to depart for TDY on 08JAN(YR) for about 6 days. You are authorized to remain at (TDY location) in a liberty status until 15JAN(YR). Travel status for per diem ends constructively on 13JAN(YR). Note on your travel claim in block 16 the time and date when your official duties at the TDY site ended.”

2.B.16.5 Example 3: Member to Depart Early and Return Late

| Situation: | Travel, which should commence on January 8 but actually commences on January 6 and should end back at the permanent duty station on January 13 but actually ends on January 15. |
| Entry: | “You are to depart for TDY on 08JAN(YR) for about 6 days. You are authorized to depart on 06JAN(YR) in a liberty status. You are authorized to remain at (TDY location) in a liberty status until 15JAN(YR). Travel status for per diem begins constructively on 08JAN(YR) and ends constructively on 13JAN(YR). Note on your travel claim in block 16 the time and date when your official duties at the TDY site began and ended.” |
2.B.17 Pay Entitlements Affected by TDY

2.B.17.1 Introduction
Some pay entitlements can be affected by TDY assignment. The SPO/Unit must ensure the traveler is aware of all entitlements affected by TDY orders.

2.B.17.2 Reference
(a) Coast Guard Pay Manual (PAYMAN), COMDTINST M7220.29(series)
- Section 3-A, Basic Allowance for Subsistence - Enlisted Members
- Section 3-H, Family Separation Allowance (FSA)
- Section 4-A, Hardship Duty Pay - Location

2.B.19 Other Forms of Written Orders

2.B.19.1 Introduction
This section describes forms of written orders.

2.B.19.2 Discussion
There are four very acceptable methods of travel order production. When the use of a Coast Guard travel order form is not necessary, these methods can be used.

1. Letter/Memo Travel Order
   • A standard CG Memo that includes all the information necessary (see exhibit 2.B.18.1 on the next page for an example).

2. Authenticated Message Order
   • Official telecommunication message traffic can be used as a travel order. Messages that fund and direct official travel can be modified in a travel order authenticating process and used instead of TDY travel order forms CG-4251 or CG-5131. The message would contain the same travel data as the form.
   Simple – Print it, Endorse it, Sign it with original hand written signature in ink, and mark as “Original”

3. E-Mail Order
   • Like message traffic, electronic mail (e-mail) can also be used as a travel order.

4. Direct Access/CG-5131
   • TDY training orders issued by Training Quota Management Center (TQC) via the Direct-Access Airport Terminal are on form CG-5131.
   Simple – Add mode of travel, Per Diem information, remarks (“order notes” in DA), print it, endorse it, sign it with original hand written signature in ink, and mark as “Original”.

2.B.21 Reimbursement Methods

2.B.21.1 Introduction
This section covers various reimbursement methods used during TDY.

2.B.21.2 Per Diem Definition
Per Diem is a daily fixed allowance based on geographic locality used to reimburse travelers for lodging, meal and incidental expenses incurred while performing official travel. This allowance is separate from transportation and other miscellaneous expenses.

Note: Current locality per diem rates are available at http://www.defensetravel.dod.mil/site/perdiemCalc.cfm

2.B.21.3 Normal Lodging Plus Rate (LDP):
Entitlement to per diem is based on the actual lodging cost incurred plus meals and incidental expense (M&IE) allowances. The total amount is limited to the maximum locality rate established for the TDY area. This per diem type is known as the Lodging Plus (LDP) System. See Joint Federal Travel Regulations (JTR), Chapter 4.

Notes: (1) This type of per diem is commonly listed on orders as “Government Quarters & Messing Not Available.”
(2) For INCONUS daily lodging, taxes are not included in the daily amount. These taxes are an allowable reimbursable expense next to the lodging amount in the itinerary. OUTCONUS lodging taxes are included in the daily lodging amount.
2.B.21 Reimbursement Methods, Continued

2.B.21.3 Per Diem Types (Continued)

**Actual Expense Allowance (AEA):**

Uniformed: Actual and necessary expenses that exceed the maximum locality per diem rate could be required when there are unusual circumstances (e.g. short notice TDY or seasonally high cost areas) in which lodging plus reimbursement is insufficient to cover travel. Actual expense allowance (AEA) can be authorized before travel or approved after travel. The normal limit is 150% but can be limited up to 300% of the locality per diem rate (rounded to the next higher dollar). The daily reimbursement is the lesser of the actual expenses incurred or the AEA maximum amount. Blanket authority cannot be authorized/approved prescribing AEA for all travel to an area. Each trip and locality must be authorized/approved separately listing the locality, dates and amounts. Daily itemization for M&IE is required. Medical Travel under U7960 or U5240 requires actual cost not to exceed the locality per diem rate.

Note: This type of per diem is listed on orders:

“Government Quarters & Messing Not Available, Authorized Actual Expense not to exceed _______% per day.”

**M&IE Paid on a Per Diem Basis (AELP):**

Uniformed: Actual and necessary expenses that exceed the maximum locality per diem rate are authorized only for the lodging portion of per diem. The lodging portion is reimbursed on an actual expense basis while M&IE is reimbursed under Lodgings Plus. The amount allowed for M&IE and lodging cannot exceed the daily maximum authorized in the AEA for the locality. Itemization for M&IE on a per diem basis is not required.

Note: This type of per diem is listed on orders:

“Actual Expense Authorized for Lodging only not to exceed _______% per night for the dates of ________through ________at________ (city), ________ (state).”

*Continued on next page*
2.B.21.3 Per Diem Types (Continued)

For examples, See JTR, par. U4350

Training (TNG):

When military traveler's attend various courses of instruction and are required to use government quarters and unit essential messing, per diem is paid at the current government meal rate (unless provided meals at no cost) and an incidental rate of $5.00 for INCONUS or $3.50 for OUTCONUS. Travelers can also be reimbursed for government quarters fees, if charged. See JTR, par. U4125.

Field Duty:

Travelers on field duty are not entitled to per diem unless circumstances per reference JTR, par. U4105.D apply. The period during which this prohibition is in effect begins at 0001 on the day after the day on which field duty begins and ends at 2400, the day before the day on which it ends. See JTR, pars.

Sea Duty (SD) or Government Ship (GS):

Military members are not entitled to per diem for any period of TDY or training while in a sea duty status or aboard a government vessel. Per diem entitlement ceases at 0001 on the day after the date of arrival aboard and ends at 2400 on the day before the date of departure from the vessel. This duty is considered unbroken when a member transfers from one vessel to another and the transfer is made within a 10 hour period. See JTR, par. U4102.

Special or Reduced Per Diem (SPR):

Special or Reduced per diem is a flat rate that is below the normal lodging and M&IE rate for the locality. This per diem rate must be approved by COMDT (CG-1332) and are established for a particular mission/operation. If used, the special rate must be listed on the travel order. See JTR, par. U4135.

Continued on next page
2.B.21 Reimbursement Methods, Continued

2.B.21.3 Per Diem Types (Continued)

Inpatient:
There is no per diem entitlement for travelers in an inpatient status. However, travelers who must remain on TDY at a medical facility for follow-up appointments or therapy are entitled to per diem allowances. See JTR, par. U7125.

- Assigned to Rehab Center (REH)
There is no per diem entitlement for travelers while assigned TDY to a rehabilitation center where both government quarters and mess are available. See JTR, par. U7125.

- No Per Diem (NP)
There are some other circumstances where per diem is not authorized for travel. Some examples are:

  ➢ Travel or TDY Within PDS Limits - Except as for JTR, par. U4105.H per diem is not payable for travel or TDY within the limits of the PDS.
  ➢ Round Trips Within 12 Hours - Per diem is not payable for any period of TDY that is performed entirely within 12 hours.

Note: (1) See JTR, pars. U4100 and U7125 for more info about non-per diem status.

(2) Occasional meals can be reimbursement for certain circumstances for the above types of duty. See JTR, par. U4102.

Flat Rate Per Diem for Long Term TDY
Effective November 1, 2014: In order to encourage travelers to take advantage of cost saving opportunities available for long term travel, travelers performing TDY for more than 30 days in one location (CONUS and OCONUS) will receive a flat rate per diem. For Long-term TDY of 31 -180 days, the authorized flat rate is 75% of the locality rate (lodging plus meals & incidental expenses - M&IE) payable for each full day of TDY at that location. For long-term TDY of 181 or greater days, the authorized flat rate is 55% of the locality rate (lodging plus M&IE) payable for each full day of TDY at that location. On the travel day to the TDY location, the traveler receives up to 100% lodging per diem at the locality rate and 75% meals and incidental expenses (M&IE). When authorized flat rate per diem, travelers are not required to submit a lodging receipt, but may be required to demonstrate that they incurred valid lodging expenses. For Coast Guard personnel, all TDY in excess of 180 days must be justified and authorized/approved by Commandant (CG-1332).

#### 2.B.21.4 Travel Settlement Defaults

TDY travel rules have several ‘defaults’ or assumptions when information is inadequate or absent on the travel order. The protection against these defaults is a TDY order that contains clear, adequate, and correct information. The defaults include:

- **Government Messing**
  Default meal settlement standard (JTR, par. U4400). When Travel Orders do not direct the government or proportional meal rate, the locality meal and incidental (M&IE) rate shall be paid.

- **Quarters**
  Government Quarters are available ONLY IF use is directed in the Official Travel Order.

- **Transportation**
  Unless the order-issuing official directs a specific transportation mode(s) or any exception(s), transportation expenses are paid on the assumption common carrier air transportation is the most cost efficient and expeditious way to travel. For ticketing purposes, always use an in-house Travel Office, Contract Travel Office (CTO), or Travel Management Center (TMC) to ensure the traveler receives the government contracted reimbursable rate. See JTR, Chapter 3.

- **Other Expenses**
  ONLY EXPENSES that are pre-authorized and clearly implied by the order (e.g., transportation to/from common carrier terminals when common carrier transportation is necessary) or specifically addressed by the order (e.g., rental car) are available to the traveler. See JTR, Appendix G for a list of items that are exempt from this requirement.

- **Receipt Requirements**
  A receipt must show what and when specific services were rendered or articles purchased, and the unit price. See JTR, par. U2500.

Receipts are required for:
- Lodging expenses regardless of dollar amount (must list the daily lodging rate and daily tax rate)
- Any claimed expenditures of $75.00 or more.
- Rental vehicles (regardless of dollar amount)
- Commercial travel (airfare, train, etc.).
2.B.22 Manual Submission of Travel Claims

2.B.22.1 Introduction
This section provides the procedure for the manual submission of travel claims. TPAX is the primary method for submitting TDY claims. The procedures in this section apply to PCS claims (which cannot be submitted in TPAX). The procedures in this section can also be used to submit a TDY claim in the event TPAX is not available to the Traveler.

2.B.22.2 Authorizing Official Designation
All travel claim authorizing officials (AO) must have the TPAX/WINIATS USER ACCESS AUTHORIZATION AND APPROVING OFFICIAL (AO) DESIGNATION FORM CG-7421A (Revised 03/13 or later) filed with PPC Travel Branch regardless of the type of claim (TPAX or manual) being approved or claims are not processed and must be returned for valid AO signature.

- Each form submitted supersedes the previous form on file.
- Forms must be physically signed. Electronic/digital signatures are not acceptable.
- Block 13 CMD Designation Signature must be a supervisor in the user’s supervisory chain of command or permissions cannot be granted.
- Submit the form via Fax to PPC (TVL). The Fax number is on the form.
- All permissions above self service are terminated after one year from the date of the command signature, upon PCS (including fleet ups and re-tours), upon separation from service, upon change of status from active to reserve component or when deemed necessary by the competent authority.
- TPAX/WINIATS termination should be part of the unit checkout process

Continued on next page
The following items are required for each travel claim:

- Original Travel Voucher
- Original travel orders or statement for lost/missing original (see below) including any amendments or endorsements. (For Document Type 13, Repeat Travel Orders: order issuing authority must retain all original orders; orders must indicate in the remarks block the name, phone number and e-mail address of the office where the originals are on file).

2.B.22.5 Travel Voucher Submission

Review the travel claim package to ensure it is complete, correct; and that all entitlements are claimed. Review with the “Traveler’s Checklist”. Prior to submitting the travel claim package to your approving official for admin review, make a complete copy for your records. It is important to keep a copy in case you need to submit a supplemental claim or the claim is lost in the mail. You must retain copies of your travel claims for six years and three months from the date of settlement of the claim. PPC (tvl) does not return the original travel claim package.

- Prior to mailing, securely staple the entire travel claim package to prevent separation in transit (refrain from using paper clips). Small receipts should be taped down to a blank sheet of paper or full readable photocopies of receipts should be provided (refrain from stapling individual receipts).
- Remember that you must submit your travel voucher to your supervisor within three days of completion of travel.
- All permanent change of station travel claims should be filed within 30 days of completion of travel.
- It is up to your AO to complete the administrative review to validate that funds are available and obligated and forward the entire package to PPC (tvl) for processing.

Note: Travel claims for separation or retirement must be filed after the effective date of orders (This is usually the separation/retirement date minus any authorized travel days plus one day). On separation/retirement claims, the AO signature is not required. In order for the claim to be processed without the AO’s signature, the following statement must be entered in block 21a or block 21b of the DD-1351-2– “Final PCS, AO not available”.

2.B.22.6 Payment

If all documentation is correct, PPC (tvl) processes your claim then electronically transmits the payment information to the Coast Guard Finance Center (FINCEN) for payment.

NOTE: If you want direct deposit sent to an account other than your current payroll account, complete and forward a Direct Deposit Fast-Start Form (SF-1199A) (available from your financial institution) or a CG-2015, Pay Delivery Worksheet to the Coast Guard Finance Center. For the Pay Delivery Worksheet, mark the form “For Travel Claim Payment Only.” You can also complete FINCEN’s online enrollment form at https://www.fincen.uscg.mil/secure/enrollment_form.htm to change the account used for the Direct-Deposit of travel payments.

2.B.22.7 Non-receipt of Payment

Allow 10 working days from the date the Travel Voucher Summary is received to the date you receive payment. If payment or notification of overpayment/claim rejection is not received by the end of this period, contact Coast Guard Finance Center’s automated voice response toll-free number 1-800-564-5504 or visit https://www.fincen.uscg.mil/secure/TravelPay/TPQuery.htm to receive information for travel claims processed.

If the Finance Center has no record of the travel payment, contact PPC’s Customer Care Branch for assistance (Travelers using Industrial site accounting should contact their respective site). They can assist the unit/traveler to verify the claim was processed, the amount due, and the date travel payment authorization was sent to the Finance Center. Contact PPC Customer Care by submitting an online Trouble Ticket at:

http://www.uscg.mil/ccb/
or call: (785) 339-2200 or 1-888-772-8724

Note: If you have waited more than 15 working days from the date the claim was mailed you should contact PPC Customer Care to ascertain the claim’s status.

This helps to reduce the risk of lost documents. DO NOT fold travel claim documents. Remember to keep a complete copy of your submitted package.
2.B.23 Rules for Claiming Official Phone Calls

2.B.23.1 Introduction
This section provides additional information for military personnel who are requesting reimbursement for official telephone calls or other communication charges.

2.B.23.3 Rules Concerning Official Calls
Military personnel shall follow these regulations when claiming reimbursement for telephone calls or other communication charges incurred during the course of official business, JTR, App. G.

Government owned/leased services should be used for official communications, but when government services are not available, commercial communications services are authorized to be used.

- Prepaid communication service (i.e., prepaid phone cards, cell phones) or inflight communications services are not reimbursable unless the AO can determine they were used for official business.

The Approving Official (AO) can determine certain communications to a traveler’s home/family are official (i.e., to advise of the traveler’s safe arrival, inform/inquire about medical conditions, and advise regarding changes in itinerary).

- The AO should limit communications to a dollar amount in advance of the TDY, and can approve charges after the TDY completion, when appropriate.

- When a cell phone is used for official communication, each call must be documented showing the additional cost incurred outside of the normal usage covered in the cell phone contract.

- Computer connections (e.g., internet) used for computers to perform official government business is reimbursable when authorized/approved by the AO.

- In-flight computer connections are not reimbursable unless the AO can determine it was used for official business. Authorization must be stated on the orders or within an amendment.
2.B.24 Accounting Data

2.B.24.1 Introduction
The most common cause for delay in processing travel claims is incorrect accounting data. Use this section to determine whether or not the accounting data on your travel order is correct.

2.B.24.2 Reference
(a) FINCEN Standard Operating Procedures (SOP)
   http://www.fincen.uscg.mil/sop.htm
   Chap 4, Accounting Line Data
   Chap 5, Document Numbering

2.B.24.3 Document Number
The Document ID Number or Travel Order Number (TONO) consists of 16 digits. The first four digits represent the type of travel and Fiscal Year. The TONO should be similar to one of the following:

<table>
<thead>
<tr>
<th>Type of order</th>
<th>Example</th>
</tr>
</thead>
<tbody>
<tr>
<td>TAD</td>
<td>11(FY)234PBZA73000</td>
</tr>
<tr>
<td>PCS, Retirement, Discharge</td>
<td>12(FY)234P23704000</td>
</tr>
<tr>
<td>Blanket or Repeat</td>
<td>13(FY)234ZM1233000</td>
</tr>
</tbody>
</table>

Note: Industrial site TONOs differ from this restriction.

2.B.24.4 Accounting String
The accounting string is used to charge the cost of travel to the appropriate unit and funding account. The string is represented by a series of alphanumeric characters. The general format of Coast Guard accounting line data is:

```
2/ F/ 601/ 136/ 30/ 0/ AB/ 1234 2100 5/
```

<table>
<thead>
<tr>
<th></th>
<th></th>

</tr>
</thead>
<tbody>
<tr>
<td>“2” for CG</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Note: Travelers should only input two lines of accounting when processing a TDY claim when a FY crossover has occurred. Having multiple lines of accounting other than the FY crossover causes the claim to be removed from the system and the traveler must resubmit the claim in TPAX.

Mismatched fund types with LOAs suspend and cannot be corrected. The TONO and all associated documents (claims/orders/advances) must be removed from the system and reentered correctly with the appropriate fund type.

2.B.24 Accounting Data, Continued

2.B.24.5 Reimbursable Agreement Numbers (RAN)

Coast Guard travelers often travel TDY for other Government agencies (OGA), such as State Governments, EPA, Treasury, and other U. S. Armed Forces. When an OGA offers to fund TDY, the unit must coordinate how that TDY is to be reimbursed through FINCEN.

Produce Travel orders and assign a routine TONO & Accounting String.

**Note:** In Accounting line, change AFC 30 to read 80. Ensure TONO region corresponds to Program Element.

An example of a RAN accounting string and TONO follows:

- ACCT String: 2/H/801/899/80/0/WA/77950/2152
- TONO: 11(YR)238HWA026000

**Note:** The region H is the 8th character of the TONO. The Program Element WA is the 9th & 10th character of the accounting string. AFC: 30 is also changed to read 80. If the Appropriation limitation code is greater than 400 (899 in the above example), a RAN number is required.

**Note:** These accounting restrictions do not apply to Industrial accounts.

2.B.24.6 Document Type 33 and DITY Moves

Claims for reimbursements of Document Type 33 (Miscellaneous items) and Do-It-Yourself (DITY) moves should be forwarded to the Coast Guard Finance Center (FINCEN) for processing. PPC (tvl) does not process these types of claims.

Send Document Type 33 and DITY move claims to:

2.B.25 Evacuation Orders to a Safe Haven

2.B.25.1 Introduction
This section provides basic guidance for preparing claims for dependent evacuation orders.

2.B.25.2 Officials Authorized to Order Evacuations
Information for evacuations within CONUS is released by the responsible official designated by JTR, par. U6051-B. The message announcing the evacuation designates the safe haven location, PPC shall be copied on all safe haven location message traffic. The evacuation applies to dependents residing in the vicinity of the member’s PDS or at an authorized designated location. It also applies to dependents en route to establish a residence with the member and to dependents residing in the vicinity of the member’s old or new PDS.

PPC Travel can accept an official Coast Guard message or memo signed by the District Commander to process the evacuation claims. The decision of the local civil official to evacuate an area is not sufficient. The appropriate military official must authorize/order an evacuation as local evacuation allowances can only be paid as of the date of the evacuation is ordered/authorized. Per JTR, par. U6052-D, the message or memo shall specify the evacuation termination process.

Information on evacuations from overseas areas for a Service member’s dependents is released by message from the Under Secretary of Defense, for Coast Guard members the responsible official designated by JTR par. U6003-A. The message announcing the evacuation outlines the safe haven locations. The JTR evacuation applies to both command and non-command-sponsored dependents for members stationed overseas. It further applies to command sponsored dependents that are en route to establish a residence with the member, and to student dependents that are authorized to travel to the member’s PDS. (NOTE: Entitlement to evacuation allowances is based on command sponsorship of the dependents. Command sponsorship is a personnel decision and should be reflected in the evacuation order.)

2.B.25 Evacuation Orders to a Safe Haven, Continued

2.B.25.3 Evacuation Orders are Only Issued for Dependents

The Joint Federal Travel Regulations, Volume 1, Chapter 6 is the regulatory guidance for military family evacuations. Uniformed members are not evacuated and are issued orders for temporary duty (TDY) or permanent change of station (PCS) as required. Reserve component members who are not on active duty are not authorized evacuation TDY orders.

The TONO for evacuations can be an 11 or 13 document type. Blanket orders are not authorized. When the evacuation is expected to exceed 21 days and incremental claims must be submitted, issue a doc-type 13.

Questions and answers for civilian employees affected by emergency situations should review the following guide at http://www.uscg.mil/civilianhr/docs/pdf/Civilian_Emergency_Situations_2014.pdf

2.B.25.4 Requirements for Evacuation Orders

The processing of evacuees requires patience, tact, and expeditious service. Authorized dependents are issued a separate tono/order with authorized dependent minors listed in the remarks block of the non-military spouse evacuation order. A CG-4251 or a memo travel order shall be used. The order shall contain the dependency dates; date of marriage, date of birth, and reflect the evacuation/safe haven location, as appropriate. The sponsor’s name/EMPLID shall be listed in the remarks section of the dependent evacuation order.

2.B.25.5 Use Centrally Billed Account (CBA) for Purchase of Transportation

Dependent transportation tickets should be charged to the centrally billed account using the travel order when travel is arranged through the Travel Management Center (TMC) contractor, SATO. Use of the uniformed member’s travel charge card is not authorized and would constitute misuse. The toll free SATO Service Center phone numbers are; Hawaii, Guam, Singapore, and Japan - 1-877-666-1304, all others - 1-800-753-7286.

2.B.25.6 Escort When Dependent(s) not able to Travel Alone

In the case of uniform members who are single parents or member to members with minor children, the Approving Official determines if the member should accompany dependents as escorts. A person can travel under an official travel authorization/order as an escort for a dependent evacuated under
2.B.25 Evacuation Orders to a Safe Haven, Continued

2.B.25.6 Escort When Dependent(s) not able to Travel Alone (Continued)

Chapter 6, Part A of the JTR who is incapable of traveling alone (IAW JTR, par. U6004-H) between the member’s PDS and safe haven or designated place. The minor dependents shall be listed on the escorts or member’s orders with all pertinent information. Married members who are both assigned in an area that is being evacuated shall be given their own set of TDY or PCS orders.

2.B.25.7 Advances

Advances for evacuees are paid to the dependents for which the orders are issued. To request advances use the SF-1038 form (under their SSN) with a signed copy of the orders, fax to the Pay and Personnel Center at (785) 339-3775. To expedite the payment process for advances and travel claims, the dependent that is issued an evacuation order MUST complete the Finance Center online Electronic Funds Transfer/Member Payment Enrollment Form at: https://www.fincen.uscg.mil/secure/enrollment_form.htm. Once completed all travel payments are electronically transferred into their banking institution of choice (EFT). It is recommended to request advances no more than 80% of the travel entitlements; this helps in reducing potential overpayments.

2.B.25.8 Submitting evacuation claims

All dependent evacuation claims shall be submitted on DD Form 1351-2 using their SSN, clearly annotated as a dependent evacuation claim, and submitted by mail to the Pay and Personnel Center. Claims should be submitted every thirty days; dependents (non access to the CG network) cannot submit claims via TPAX. Units shall assist evacuees with claim preparation. Each evacuee shall be asked about advances or previous payments received. All advances or previous payments associated with an evacuation claim must be disclosed upon submission of any evacuation claim in order to avoid duplicate payments in accordance with the JTR, Chapter 1, Part A, par. U1000.D. To verify travel advance payments visit the Coast Guard Finance Center Travel Payment Application at: (https://www.fincen.uscg.mil/secure/TP_menu.htm or http://cgweb.fincen.uscg.mil/travelPmt). Each claim submitted must have an original hand written signature in ink by the traveler and Approving Official. The order must be an original with the Approving Official’s hand written signature in ink or a copy of the approved order certified as a true copy.

## 2.B.26 Invitation Travel Orders (ITOs) Guide

<table>
<thead>
<tr>
<th>Section</th>
<th>Description</th>
</tr>
</thead>
</table>
| **2.B.26.1** | **Introduction**

Invitation Travel Orders (ITOs) are complex and follow very specific rules. This guide should answer many of your questions.

| **2.B.26.2** | **Purpose of ITOs**

There are occasions when the Coast Guard can authorize the reimbursement of travel expenses to a non-governmental individual. ITOs are only be issued to individuals who are not employed by Government or are employed intermittently in Government as consultants or experts (under 5 U.S.C. 5703) (NOTE: This does not include a contractors' employee traveling in the performance of the contract, individuals who serve without pay or are paid $1 per year when acting in a capacity that is directly related to, or in connection with official government activities; or volunteers who are covered by 10 U.S.C. 1588.)

| **2.B.26.3** | **Travel Allowances for ITOs**

Travel allowances authorized for these individuals are usually the same as those for employees traveling on temporary duty (TDY) authorizations. This guide addresses how to prepare the traveler for making their transportation arrangements, receive advances, and file a travel claim. It is not comprehensive in content. The full regulations governing ITOs and entitlements are covered in the Joint Travel Regulations, Federal Travel Regulations, COMDTINST 12570.3E and Travel for Official Government Business, DHS Management Directive 1510.1. Evacuation orders are not ITOs.

| **2.B.26.4** | **ITO Instruction**

Guidelines on the preparation of invitational travel orders are listed in COMDINST 12570.3E, enclosure (1). Only certain officials are authorized to sign ITOs. The instruction is very specific and must be followed; see enclosure (3) of the instruction. Claims submitted without the proper official's original signature signed in ink on the orders cannot be processed and are returned to the Approving Official (AO). Per COMDTINST 1750.4(series), Ombudsman Program, an ITO for an ombudsman requires authorization from the director included with the order.

2.B.26.5 Member and Dependent Traveling Together

When an active duty uniform member is traveling under official TDY orders with a command sponsored dependent that could have been issued an ITO for medical purposes either as the patient or an escort, the dependent should be placed on the active duty uniform member's travel orders with all pertinent information. This is for medical ITOs only, in all other ITO circumstances the dependents must be issued their own ITO. Minors traveling with a guardian or escort should be listed on the guardian or escorts ITO. When the active duty uniform member is traveling with a command sponsored dependent with orders, the member is authorized to use their GTCC for their travel expenses only, not the dependents. A member who has their dependents listed on their orders for medical shall complete the travel claim and submit it by mail to PPC due to the complexity of the claim and entitlements.

2.B.26.6 ITOs for Dependent Children

Travelers over the age of 21 should be issued their own ITO. Minors/incapacitated travelers who are authorized to travel under an ITO shall be listed under the legal guardian, escort, or attendant's ITO.

2.B.26.7 SSN/ITIN Required

A traveler must have a Social Security Number (SSN) or, in the case of foreign nationals, an Individual Taxpayer Identification Number (ITIN). To apply for an ITIN, use the latest revision of IRS Form W-7 (http://www.irs.gov/pub/irs-pdf/fw7.pdf) (Note: See this page for the procedure for obtaining an ITIN from abroad: http://www.irs.gov/businesses/small/international/article/0,,id=96690,00.html). If a foreign national or any other traveler does not hold a US bank account, a paper check in US dollars is sent to the mailing address provided on the Travel Voucher, DD-1351-2.

2.B.26.8 ITO TONOs

The TONO for ITOs can be an 11 or 13 document type. Blanket orders are not authorized.

Continued on next page
2.B.26 Invitation Travel Orders (ITOs) Guide, Continued

2.B.26.9 Travel Arrangements for ITO travelers

The unit AO shall assist the traveler in making their transportation reservations. They must be arranged using the Commercial Travel Office (CTO) contractor, SATO. Travelers on ITOs must use the Centrally-Billed Account (CBA) for transportation expenses since the Invitational Traveler does not possess a GTCC. The order must specify that the CBA is authorized. Reimbursement for reservations made outside the contracted CTO is limited to the City-pair YCA contracted fares plus CTO transaction fee. The toll free SATO Service Center phone numbers are; Hawaii, Guam, Singapore, and Japan - 1-877-666-1304, all others - 1-800-753-7286. Travelers need to arrange their own lodging and rental car, if authorized, unless the unit has contracted out the lodging. When a rental vehicle is authorized on the ITO, Invitational Travelers are listed as authorized users under the U.S. Government Rental Car Agreement Number 4. The Invitational Traveler should verify that the Government Administrative Rate Supplement (GARS) is stated within rental vehicle contract at $5.00 per day. Global Positioning Systems are not authorized for Invitational Travelers.

2.B.26.10 Advances for ITOs

Travelers should be notified of the TDY location per diem rates which define their maximum reimbursements. An advance for invitational travelers is paid to the traveler to whom the ITO is issued. To request advances, use the SF-1038 form (under their SSN) with a signed copy of the authorization. Fax the SF-1038 to the Pay and Personnel Center at (785)339-3775. The advance should be requested prior to travel, but can be issued during travel with authorization from PPC Travel Branch Chief. To expedite the payment process for advances and travel claims, the traveler who is issued the ITO MUST complete the Coast Guard Finance Center Online Electronic Funds Transfer/Member Payment Enrollment Form at:
https://www.fincen.uscg.mil/secure/enrollment_form.htm. Once completed all travel payments are electronically transferred into their banking institution of choice (EFT). It is recommended that travel advance requests not exceed 80% of the estimated travel entitlements. This helps reduce overpayments and collection action.

2.B.26.11 Travel Claims for ITOs

The invitational traveler with assistance from the AO must complete and provide an original Travel Voucher DD-1351-2 signed in ink by the traveler and AO, original order signed in ink by the ITO Authorizing Official, and provide all necessary receipts (lodging, airfare, rental vehicle, other receipts in the amount of $75 or greater). The entire claim should be mailed to the address below. If the traveler was authorized Actual Expense for meals/transportation (AE), they must save all receipts (gas, meals, etc). The claims shall be submitted to the AO within five business days after travel has been completed. All contact information on the travel voucher must be provided, i.e., address, phone number, and e-mail. The invitational traveler shall be reminded to maintain their travel documentation for six years, three months.

2.B.27 Premium Class Travel Request

2.B.27.1 Introduction
This section discusses the eligibility criteria for premium-class travel and the standard procedures for requesting such common carrier accommodations.

2.B.27.2 References
(a) Federal Travel Regulation (FTR) (civilian employees)
(b) Joint Travel Regulations (JTR) (military personnel)
   • Par. U3125-b (for commercial air) and
   • Par. U3135 (for train)

2.B.27.3 Discussion
Premium-class travel includes first-class accommodations, business-class accommodations, and extra-fare train service (e.g. Amtrak Acela and Metroliner). The authority to approve premium-class travel is held at the Commandant/Vice Commandant level with no further re-delegation authorized.

The use of premium-class travel can be authorized prior to travel or approved after the fact. However, by regulation, authorization/approval for the use of premium-class travel is strictly limited to travel that meets specific eligibility criteria as indicated in reference (a) and reference (b). For commercial air the length of flight in and of itself is not sufficient justification to authorize premium-class travel.

2.B.27.4 Submission of Premium-Class Travel Request Form (CG-4600)
Commands shall ensure members and employees are eligible to use premium-class travel prior to submitting the Premium-Class Travel Request Form (CG-4600) via COMDT (CG-1332) for military or COMDT (CG-1215) for civilians.

In order to allow time for processing and routing, CG-4600 should be submitted immediately when the need for premium-class travel is known. Normal processing time is 21 calendar days.

Continued on next page
2.B.27 Premium Class Travel Request, Continued

2.B.27.5 Supporting Documentation

The following shall be included with the CG-4600: a copy of the travel orders, itinerary, and any supporting documentation/justification. For medical travel, a statement is required from a competent medical authority of the need for a patient to travel by premium-class and the need for an attendant, if applicable. A separate CG-4600 must be submitted for an attendant.

2.B.27.6 Submit Approved Requests with Travel Claims

A copy of the approved CG-4600 is required to support the claim for reimbursement of premium-class travel and must be referenced in TPAX (comment block) when filing an electronic voucher.
Section Overview

Introduction

Active Duty for Training (ADT) includes:

- Active Duty for Training for Annual Training (ADT-AT)
- Initial Active Duty for Training (IADT)
- Active Duty for Training - Other Training Duty (ADT-OTD)

ADT is a tour of Active Duty used for training members of the reserve components to provide trained units and qualified persons to fill the needs of the Armed Forces during war or national emergency and such other times as national security requires. Chapter 3-A of the Reserve Policy Manual, COMDTINST M1001.2 (series), defines these duty types in detail. This section will focus on the procedures and processes governing ADT.

2.C.3 Amendments to ADT Orders

2.C.3.1 When orders can be amended

Orders can be amended after the fact to document verbal authority given during the ADT/ADT-OTD travel period when unforeseen requirements emerge that require the member to incur costs not originally anticipated.

Travelers seek modifications or changes to their orders through the Order Issuing official that directed and funded the travel. The form of the amendment should identify the:

- Traveler
- TONO/ACCTNG Data
- Entitlement specified
- Reason for change

This information should be attached (memo, letterhead, or handwritten note) to the original travel order.

2.C.3.2 Situations when amendments are not authorized

There are some provisions that, if not authorized in the order BEFORE travel starts, CANNOT be approved for payment after travel is completed.

**Example:** An order DIRECTING use of common carrier cannot be amended after the fact to permit some other form of transportation when common carrier was the Order Issuer’s intended form of transportation for the member.

2.C.3.3 Amendments cannot be used to deny an entitlement

UNDER NO CIRCUMSTANCES CAN AN ORDER BE AMENDED AFTER THE FACT TO DENY A TRAVEL ENTITLEMENT CONTAINED IN THE ORDER

**Example:** An order can’t be amended after the fact to “unauthorize” a rental car that was originally authorized by the Order Issuer to deny payment to the traveler.

ACTIVE DUTY FOR TRAINING

2.C.4 Waiver of Annual Training Requirement

2.C.4.1 Discussion
Per section 4.A.2 of reference (a), the ADT requirement may be waived for individual reservists on a case-by-case basis. CO/OICs may waive one year of the ADT requirement for sufficient cause to include:

- SELRES who have requested and are within one year of retirement
- SELRES experiencing temporary physical disability of less than four months that is documented by a Medical Officer (i.e., Uniformed Services Physician, Physician Assistant, Nurse Practitioner)
- A temporary family or personal hardship

Civilian employment conflict is not considered sufficient cause for waiver of the AT requirement.

Personnel who require AT waiver consideration for two consecutive years must gain approval from the Servicing (dxr).

2.C.5 Preparation of Annual Screening Questionnaire

2.C.5.1 Introduction
Federal law requires all Ready Reservists (Selected Reservists (SELRES) and Individual Ready Reservists (IRR)) be regularly screened to ensure their availability and fitness for duty if mobilized and submit updated information to their chain of command. Coast Guard reservists will complete the screening annually.

Note: Members who are on Extended Active Duty or serving on a recall to active duty and those who have completed a questionnaire within the four months preceding 1 October are not required to submit a new questionnaire for the current year. The questionnaire is designed to be completed as often as the information or recall availability changes, anytime of the year.

2.C.5.2 Reference
The following web pages and directives provide additional procedural and regulatory information on the Reserve Annual Screening process.

(a) Reserve Policy Manual, COMDTINST M1001.28 (series), Chap. 4.B
(b) Direct Access Online Guide (http://www.uscg.mil/ppc/ps)

   2. Reserve ASQ, Supervisor Notification
(c) Coast Guard, Servicing Personnel Office (SPO) Manual, PPCINST M5231.3 (series), Part VII, Reserve Unique Transactions, Chap. 2, Annual Screening Questionnaire

2.C.5.3 Process Overview
Per reference (a), members of the Ready Reserve must complete the Annual Screening Questionnaire (ASQ). Members will use Direct Access (DA) self-service to complete the ASQ per reference (b.1). SPOs will enter questionnaires on behalf of those members without access to the system per reference (c).

Reservists who cannot access Direct Access may use CG form 3799R to provide screening information to the servicing SPO.

Continued on next page
2.C.5 Preparation of Annual Screening Questionnaire, Continued

2.C.5.4 Supervisor Notification
When members indicate on the ASQ they are not available for recall or do not understand their mobilization requirement, Direct Access prompts them (or the SPO, if entering a questionnaire on behalf of a member who cannot access Direct Access) for a supervisor's Operator ID for follow-up counseling or action (transfer to IRR or discharge). The email function to supervisor is only active when the reservist chooses "do not accept/understand mobilization requirement" or any selection other than "available for mobilization." A view-only link of the reservist's ASQ is added to the supervisor's worklist.

2.C.5.5 Supervisor Action
Supervisors must contact and counsel those members who indicate they are not available for recall, or who do not understand their mobilization requirement. If the counseling results in the member modifying his or her availability for mobilization, a new ASQ must be submitted. Members who are not available for mobilization should be processed for transfer or separation as appropriate, i.e., Active Standby List (ASL), or Inactive Standby List (ISL). Consult the references cited at the beginning of this section for additional guidance.

2.C.5.6 Procedures
- See reference (b) for procedures to complete the Direct Access Annual Screening questionnaire.
- CG Form 3799R includes complete instructions needed to complete the form.

2.D.1 Projecting Cost of ADOS-AC Orders

2.D.1.1 Introduction

All ADOS-AC costs, including pay and benefits, travel and per diem, and permanent change of station (PCS) entitlements (when applicable) are normally the responsibility of the commands using ADOS-AC. Commands using long-term ADOS-AC should keep in mind those personnel ordered to active duty for 181 or more days are entitled to PCS entitlements.

2.D.1.2 Estimating Total Cost

The Benefiting Unit shall determine the cost of Pay and Allowances, FICA and Travel. Units are directed to use the Standard Personnel Cost (SPC) worksheet to determine the costs. The SPC worksheet is located on CG Central and at http://cgweb.comdt.uscg.mil/cg8/cg83/cg832/sct/sr/index.htm.

If the period of ADOS-AC covers a portion, rather than a full 15 day pay period, (i.e.: 25-30 June vice 16-30 June), compute the pay and allowances for the partial period by dividing a full month’s entitlement by 30 days then multiply that daily amount by the number of days. Compute total cost taking the following into account:

Pay and Allowances
- Base Pay (including longevity increases)
- BAH/OHA
- Subsistence (actual days)
- FSA (if period of ADOS-AC
- CONUS COLA or OUTCONUS COLA
- Leave to be earned and sold
- Any other station allowances

FICA
- Multiply .0765 x one month’s base pay. This amount is reduced from the base pay accounting line and added to the FICA accounting line.

Travel Entitlements
- Travel costs to and from the ADOS-AC site
- Per diem for travel days

Note: Travel Entitlements are not payable if ADOS-AC site is within the geographical limits of the members’ home.
2.D.2 Document ID’s (TONO) for ADOS-AC Orders

2.D.2.1 Introduction

Direct Access does not automatically generate Document IDs short-term (180 days, or less) ADOS-AC orders. The Benefiting Unit shall provide three separate Document ID’s. The DOC Type 72 is used to pay the member in JUMPS. DOC Type 11 (single claim), 12 (PCS) or 13 (multiple claims) are used to reimburse the member for travel.

2.D.2.2 Document Number Examples

- 11/11/29/1/8/16/001/000 (for TVL)
- 72/11/29/1/8/16/001/000 (for P&A)
- 72/11/29/1/8/16/001/001 (for FICA)

Note: Refer to the FINCEN SOP, FINCENSTFINST M7000.1, Chapter 5, for more information on document IDs.

2.D.3 Accounting Line Data for ADOS-AC Orders

2.D.3.1 Introduction

2.F.1 Mobile Unit Designation

Per Coast Guard Pay Manual, COMDTINST M7220.29 (series), 4.b.5.e, members ordered to serve on PATFORSWA cutters are considered to be assigned to a “Mobile Unit”. They receive the same PCS, Household Goods (HHG), Privately Owned Vehicle (POV) storage, and travel entitlements as those personnel assigned ashore to PATFORSWA. Members assigned to mobile units (other than those assigned in an administrative capacity) are entitled to continuous career sea pay (and career sea pay premium, if otherwise eligible) on the same basis as members assigned to other Coast Guard vessels.

2.F.2 PCS Travel

2.F.2.1 Introduction

This section provides information on PCS travel entitlements for members ordered to PATFORSWA.

2.F.2.2 PCS Travel

Members will receive PCS Orders from their current duty station to PATFORSWA. They also receive TAD Orders to SMTC-DTD located in Portsmouth, VA for the duration of Pre-Deployment training.

**Note**: Due to the complexity associated with payment of TDY/PCS travel entitlement throughout a member’s preparation for deployment to PATFORSWA, request for PCS/TEMDU orders will normally not be granted. All PCS/TEMDU requests must be approved in advance and directed for consideration to PATFORSWA.

Following Pre-Deployment training, members either go on leave or return to their current Duty Station. When they depart their PDS they are authorized an overnight delay en route prior to departing CONUS. Members are entitled to 2 additional travel days for the flight OCONUS to Manama, Bahrain.

Members without dependents are authorized:

- PCS travel entitlements from their old PDS via airport used for OCONUS flight for transportation to Manama, Bahrain. Members are not allowed round-trip travel between a TDY station and designated place.

- Members are directed to travel via commercial air form their PDS utilizing the GTCC Centrally Billed Account.

Members with dependents are authorized:

- PCS travel entitlements from their old PDS via the designated place per JTR par. 5120-g to assist their dependents in relocating before reporting TAD/TDY to Portsmouth for training.

2. F. 2 PCS Travel, Continued

2. F. 2. 2 PCS Travel (cont’d)

- Dependents can remain at their current location or travel to a designated place. A designated place is the location where the dependents will establish a permanent residence while the member serves a dependent restricted tour in Bahrain. The designated place can be any location in CONUS or OCONUS locations as indicated in JTR par. 5120-g.

- Designated places must be authorized by CG PSC (PSD-FS) Use form CG-2025A, Housing Allowance Protection Worksheet (http://www.uscg.mil/ppc/forms/) for requesting BAH or OHA at a designated place of dependents, or if eligible, the previous duty station (BAH location only).

2.F.4 Household Goods/Unaccompanied Baggage

2.F.4.1 HHG/Unaccompanied baggage

Bahrain is designated an administrative weight restricted area for Coast Guard personnel assigned to PATFORSWA. All members should be aware they will be required to reside in fully furnished government quarters equipped with communal TV and stereos.

• Storage space is limited, so members should only ship those personal effects that can be accommodated in their assigned quarters.

• Members are encouraged to bring their own personal laptop computers. While communal computers are provided in the flats, they are sometimes antiquated in nature and do not provide system function you may be accustomed to.

• Partial HHG/Unaccompanied baggage shipments to and from Bahrain are limited to 600 pounds. This 600 pound shipment must be determined PRIOR to any HHG’s being placed in government or personal storage as there are no provisions to allow withdraw as a later time.

• Additional information/restrictions on HHG shipments to Bahrain can be found in Chapter 11 of the *The Personal Property Consignment Instruction Guide – Online (PPCIG-OL)* available online at: [https://tops.ppcigweb.sddc.army.mil/ppcig/menu/query/country.do](https://tops.ppcigweb.sddc.army.mil/ppcig/menu/query/country.do) (Click the “Country Instructions” tab and search for Bahrain.)

For members without dependents, the HHG not shipped to Bahrain should be placed in NTS (non-temporary storage) at origin. Members with dependents may ship HHG to a designated place for dependents use or place them in NTS at origin.
2.F.5 POV Transportation/Storage

**Transportation:**

- Coast Guard personnel assigned to PATFORSWA are not authorized shipment of a POV to/from Bahrain. However, a POV may be shipped to a designated place, including OCONUS, for use by the member’s dependents in accordance with JTR, par. 5346-A.2. INCONUS shipment of POV is at the initial expense of the member pending travel claim reimbursement not to exceed standard mileage allowance.

- For those single members who ELECT to leave their POV at a location NOT in Government control (i.e. government funded/approved storage), there is no entitlement to return to that location to pick up your vehicle.

**Storage:**

- POV storage is authorized in lieu of a shipment. Since POV shipment to Bahrain is restricted by service regulations, members are entitled to storage of one POV at government expense under the provisions of JTR, par. 5372. The POV can be stored using the SDDC global POV storage program or self-procured by the member.

For travel entitlement to the storage facility when accomplished concurrently with TDY enroute to the OCONUS PDS, see JTR, par. 5382-E. For information on POV storage see SDDC pamphlet *Storing Your POV* online at: [http://www.sddc.army.mil/sddc/Content/Pub/8810/DBCN8810.pdf](http://www.sddc.army.mil/sddc/Content/Pub/8810/DBCN8810.pdf).

- Members must arrange to place their POV in storage prior to departing for Bahrain. Storage of a POV is not authorized if a POV is shipped to a designated place for dependents use.
2.F.6 Station Allowances

2.F.6.1 Station Allowances (OHA and COLA).

OHA is not authorized for members in Bahrain since all members will be assigned government leased quarters or shipboard berthing. While stationed in Bahrain members will be entitled to OCONUS COLA at the full without dependents rate. In accordance with par. 8008, JTR, COMDT (CG-1332) may authorize members with dependents concurrent payment of OCONUS COLA at the without dependent rate, and, if payable, CONUS COLA at the with-dependents rate for the designated place of dependents. Station allowances may also be authorized by COMDT (CG-1332) for dependents residing at a designated place OCONUS per Chapter 9 of the JTR. Requests for station allowances must be submitted before the dependents relocation.

2.F.6.2 Entitlements Summary

Exhibit 2.F.1 (page 2-F-15) lists the pay entitlements, described in this section, in a quick reference, tabular format.
2.F.7 Allowances for Members With Dependents

2.F.7.1 Introduction
This section provides information on allowances and entitlements for members with dependents assigned to PATFORSWA.

2.F.7.2 Dislocation Allowance (DLA)
Only members with dependents that relocate dependents to a designated place are authorized DLA.

2.F.7.3 BAH, OHA and COLA for Members With Dependents
To request BAH for either the previous duty station location, if eligible, or a designated place of dependents, OHA for a designated place of dependents, members with dependents will submit a CG-2025A, Housing Allowance Protection Worksheet (http://www.uscg.mil/ppc/forms/) to Commander, PSC (PSD-FS) for processing.

For a member stationed OCONUS (non-BAH location), OHA cannot be requested for a previous duty station location, only for a designated place of dependents.

The payment of BAH based on a previous duty station may be authorized if the member permanently resided with their dependents while serving at the previous duty station, and the member has no intention of relocating their dependent from their residence. If the distance between the previous duty station and the dependents location caused the member to establish a separate private residence from their dependents, the member is considered as not residing with their dependents and BAH will be based on the dependents location.

Note: Members who receive BAH or OHA with dependents based on the payment of child support are not eligible to submit a CG-2025A. Effective upon their PCS reporting date, these members are entitled to receive BAH-DIFF ONLY, if otherwise so entitled per Section 3-B-6 of the Coast Guard Pay Manual, COMDTINST M7220.29(series). If a member acquires a dependent(s) during their OCONUS assignment which changes their dependency status to a member with-dependents, the member will complete and submit a CG-2025A to request BAH or OHA for the designated place of their dependent(s).

2.F.7 Allowances for Members With Dependents, Continued

2.F.7.3
BAH, OHA, and COLA (cont’d)

COLA Entitlement:

If BAH is authorized for a previous duty station location, CONUS COLA, by law, cannot be paid for the previous duty station location, only the dependent’s location.

If BAH or OHA is authorized for the dependents location, COLA will be based on the dependents location.

Upon processing the CG-2025A, COMDT (CG-1332), will mail the member a memo authoring the housing allowance for either the designated place of dependents, or if eligible, the previous duty station. COMDT (CG-1332) scans the memo and e-mails it to the PATFOR SWA (SPO) and CG (PPC) (MAS) and (FAR).

2.F.7.4
FSA

Members with dependents, including member-married-to-member (see Coast Guard Pay Manual, COMDTINST M7220.29(series), Section 3-H-12), are entitled to FSA. The current rate for FSA is $250 per month.
