

Change Electronic Funds Transfer (EFT)/Direct Deposit

Introduction This guide provides the procedures for changing or updating bank account information in Direct Access (DA) for the delivery of retired/annuitant pay.

Discussion This application gives you the ability to update Direct Deposit for your Net Pay.

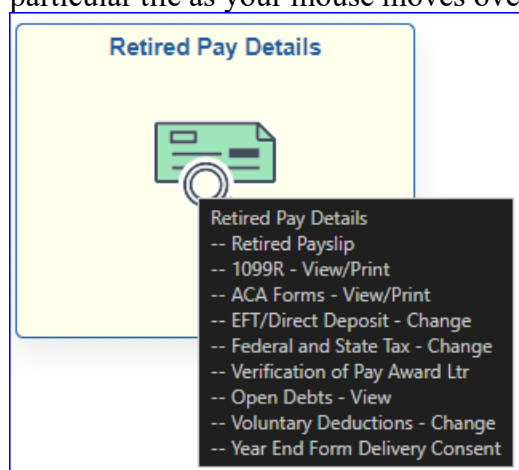

- If you already have Direct Deposit, you will be able to change bank and account information when you change banks.
- If you are currently receiving a paper check, you will be able to convert to Direct Deposit by adding a bank to your profile and electing to have your Net Pay deposited in an account at that bank.

You will **NOT** be able to:

- Change from Direct Deposit to receiving a paper check.
 - Change direct deposit information for allotments – you will only be able to change direct deposit information for your Net Pay. To change an allotment, see [Change My Voluntary Deductions](#) guide.
 - If you currently have a savings allotment, you cannot change your Direct Deposit to the same account.
-

**Changes to
Direct Access

You will notice a change in how Direct Access displays upon login. There is a new “hover” feature that shows what is covered under a particular tile as your mouse moves over the tile as shown below.
