

View My Final Pay Beneficiary

Introduction This guide provides the procedures for you to view your final pay beneficiary in Direct Access (DA).

About final Pay Beneficiary Designations Under 10 USC 2771, you have the right to designate whomever you wish to receive unpaid retired pay due at the time of your death. Unpaid retired pay normally consists of your final pro-rated paycheck. For example, if you die on June 16th, your final retired pay will consist of the 16 days of pay you are due for June.

The beneficiaries you currently have designated are shown on this page. If no beneficiaries are shown or the beneficiaries shown are not correct, please complete a new form [CG-3600](#) (Designation of Beneficiary for Payment of Unpaid Retired Pay). If you do not name a beneficiary or if none of the beneficiaries you have named survive you; under law, your unpaid retired pay will be paid in the following order of precedence:

- (1) Surviving spouse
- (2) Children and their descendants, by representation
- (3) Father and mother in equal parts or, if either is dead, the survivor
- (4) Legal representative
- (5) Person entitled under the law of the domicile of the deceased member.

Please note that form [CG-3600](#) is only used for final pay beneficiaries. It is **NOT** used for designating beneficiaries under the Survivor Benefit Plan (SBP). For information about SBP, go to [PPC \(RAS\) webpage](#).

If you need to make changes to the information displayed in Direct Access, complete form [CG-3600](#) and forward it to PPC (RAS). You may fax your form to 785-339-3770 or you may mail the form to:
