

View My Payslip

Introduction This guide provides procedures for Retirees to view their Payslips in Direct Access (DA)

Before you Begin Payslips, 1099R, and ACA forms will open in a new tab. It is important to turn off the pop-up blocker in your web browser to view them. If you are using a MAC, you may need to download another browser such as Chrome or Internet Explorer. For more information on how to turn off the pop-up blocker, see the **Direct Access Compatible Browsers** user guide.

You will also need Adobe Acrobat reader installed. An Adobe Acrobat link is provided upon opening the Payslip, 1099R, and ACA forms pages.

Changes to Direct Access Homepage You will notice a change in how Direct Access displays upon login. There is a new “hover” feature that shows what is covered under a particular tile as your mouse moves over the tile as shown below.
