To Whom It May Concern:

Please accept this military retiree's Retiree Statement of Monthly Income (RASOMI) as verification of regular pay. Military retirement pay is normally a lifetime payment without frequent changes.

Please note that an annuitant is the widow or widower of a military retiree and the annuity will continue for the lifetime of the annuitant. A former spouse of a military retiree is the recipient under the Former Spouse Protection Act for property division from a divorce; this benefit will continue until the death of the military retiree.

The RASOMI contains the same information that would be included in a customized pay certification letter. By accepting it, you will reduce the cost to taxpayers.

Sincerely,

Kimberly M. Clennan
