USCG HSWL Mobile App

For those looking for information about the support programs and services available to Coast Guard members and their families, *we now have an app for that!*

This app contains information about the many quality of life resources available for Coast Guard military and civilian personnel, family members, and retirees. The app includes information on work-life programs, as well as other individual and family support programs such as medical services, chaplain services, housing, legal assistance, and morale, well-being, and recreation (MWR) services.

In addition, it provides general information about the Coast Guard, enables access to Coast Guard videos through YouTube (Wi-Fi recommended), and enables the user to access the Coast Guard Facebook and Blog feeds. The user can also find a unit Ombudsman using the "Ombudsman Locator" feature.

For iPhones/iPads
