Military Child Care In Your Neighborhood (MCCYN)

Serving U.S. Coast Guard Families

How It Works

MCCYN is a fee assistance program that keeps affordable child care in reach for U.S. military and U.S. Coast Guard families. It's intended for families who cannot access installation-based care due to distance or waitlists. With fee assistance, MCCYN closes the gap between what these families would pay for on-installation care and what they'd pay for care in their communities. This makes it easier for families to afford quality care from local civilian providers.

Families access MCCYN through MilitaryChildCare.com, a secure DoD gateway to military-operated or military-sponsored child care options. It provides a single online location for families to determine their MCCYN eligibility, explore qualifying providers, select a program, and apply for assistance.

USCG MCCYN is available to Active Duty USCG Sponsors and USCG Reservists on Active Duty Orders for at least 180 days. If the USCG member is married, his or her spouse must be employed a minimum of 20 hours a week, actively seeking employment, or enrolled in higher-education coursework.*

**Minimum credit hours will apply.*
