

**UNITED STATES COAST GUARD
SEXUAL ASSAULT PREVENTION, RESPONSE AND RECOVERY PROGRAM**

How Do I Report a Sexual Assault?

Deciding whether to report a sexual assault is a deeply personal decision. However, reporting can be a gateway to recovery. The Coast Guard's Restricted and Unrestricted reporting options allow Service members who experienced sexual assault to exercise control over how and when they engage with resources.

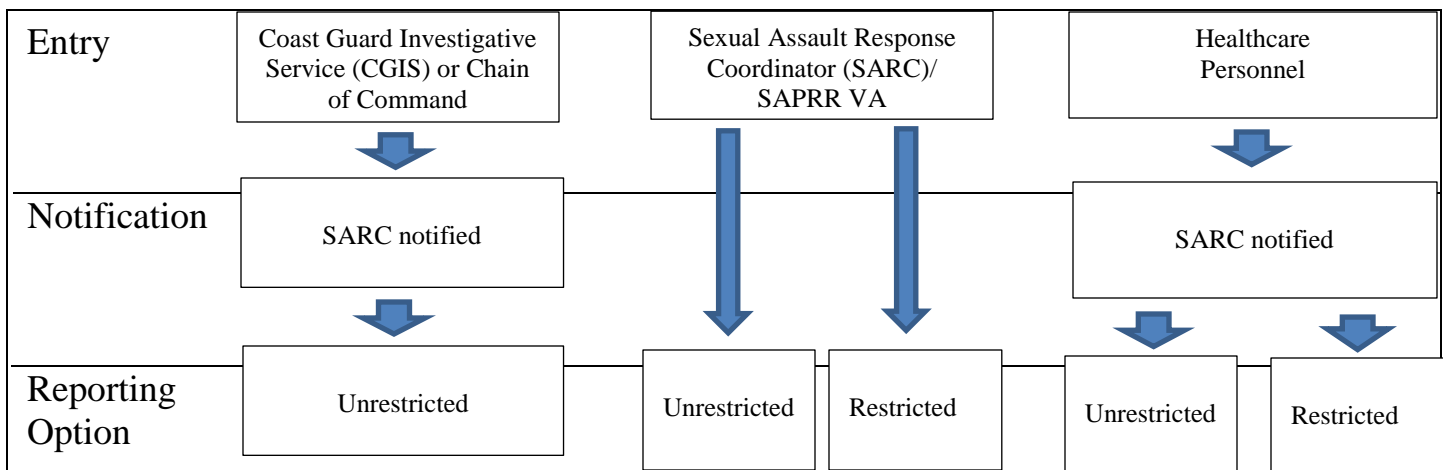

Coast Guard's response service includes:

- Confidential access to a Sexual Assault Prevention, Response and Recovery Victim Advocate (SAPRR VA), regardless of reporting option selected
- Support from highly trained personnel, including Healthcare providers, Special Victims' Counsel (SVC), and Chaplains

- Professional investigative and legal response from personnel, specially trained to work with victims of sexual assault, domestic violence, and child abuse
- A variety of support, recovery and safety options, including Expedited Transfer, Military Protective Order, Catch a Serial Offender Program, Case Management reviews and updates, and victim safety assessments
- 24/7, worldwide, anonymous and confidential support at Safe Helpline – a specialized, secure online service that provides help/information anytime, anywhere. Find more information at safehelpline.org.

VICTIM REPORTING AND NOTIFICATION PROCESS

Criminal investigators and command officials will be notified when an Unrestricted Report is made.
