Part III of the form must be used to document completion of the progress reviews. Changes to the Performance Plan should be documented and, comments, if any, may be stated in the space indicated for the rating official and employee in Part III.

3. Interim Rating.

- a. A written evaluation of an employee's performance is required by the losing supervisor (rating official), whenever an employee who has been on an approved performance plan for at least 90 days experiences one of the following: (1) moves to a new position inside or outside the USCG; (2) completes a detail or temporary promotion of 90 days or more; or (3) worked for at least 90 days under the supervision of a rating official who leaves the position.
- b. Evaluate performance against each CC in Part IIa of the employee's performance plan on a copy.
- c. In Part IV, summarize the employee's overall performance highlighting actual outcomes and results achieved.
- d. Part IV rating official and employee acknowledges Interim Ratings of Record.
- e. Rating official forwards to employee's supervisor of record for consideration when preparing a final Rating of Record.
- f. No summary rating is assigned in Part VI.
- g. If more than one supervisor has rated an employee during the appraisal period, the supervisor of record at the end of the rating period, no matter how long assigned as supervisor, shall provide a single, integrated rating of record for the employee, taking into account previous interim ratings.

4. The End of the Appraisal Rating Period.

- a. Provide the employee an opportunity to comment on accomplishments for final rating in Part V.
- b. In Part IIa, check the appropriate rating (Exceeds, Meets or Fails to Meet) as measured against the performance standard for each applicable CC.
- c. Summarize outcomes and results achieved by the employee in Part VI and check box indicating final rating (Exceeds, Meets or Fails to Meet) based on these criteria:

Performance at this level adds an unusual degree of value to the organization and significantly contributes to mission accomplishment.

"Meets" encompasses a broad range of performance including at the upper end performance of high organizational value and commendable mission accomplishment.
Fails to Meet - One or more CC's is rated "Fails to Meet." The performance fails to meet the performance standard's criteria. Requires unusually close supervision or substantial corrections to work products.
- d. Approving official's concurrence must be obtained **prior to discussing the rating of record with the employee.**
- e. Sign the performance appraisal form as the rating official and forward to the approving official for signature in the designated boxes in Part VI.
- f. The approving official should approve the rating of record before the rating official discusses it with the employee. The original appraisal forms are maintained by the Office of Civilian Human Resources and a copy of the appraisal is provided to employee.
