eLeadership News Guidelines

Article Title:
Font: Arial 14pt
By: <Rank (if applicable) Name>
Reference (underline): Perspective, News, History, Diversity
Article Body:
Words: 700 or less (you won't get hunt down if you go a little over!)
Font: Arial 12pt

We seek articles on leadership issues and best practices. These articles are generally based on *Perspective, History, or News*. You may be asked to expound with additional details on articles chosen to be included as *Features*.

Leadership Competencies Addressed:
Be sure to try and include at least three (3) of the twenty-eight (28) Leadership Competencies you feel are relevant to your article topic and discussion at the bottom of the article. E.g. *Leadership competencies addressed: Self Awareness & Learning; Aligning Values; Influencing Others*

Pictures:
Please try to include a picture depicting your topic and discussion or provide insight into what type of graphic or photo you feel may best correlate with your topic or discussion.

Photos should be as high-resolution as possible; however, we understand this is not always feasible, so always send us what you have.

eLeadership News Guidelines
