Body Measurement Guide

Sizing estimates are a guide to help you find the size you need. Estimates will work for most but not all body sizes. If this is your first time ordering uniforms, or if you have changed sizes over the years, we recommend having a professional tailor measure you so that you will have the most accurate sizing estimates possible. In the rare case that a product's sizing is not specifically mentioned below, it is expected to match standard industry-wide sizing guidelines.

- For all measurements, stand erect with heels together, eyes looking forward, and weight evenly distributed on both feet (proper posture, but not the position of attention).
 - It is recommended that you measure to the closest $\frac{1}{4}$ inch.
 - All estimates account for normal range of motion.

Height

Do not wear shoes.
Measure from the top of the head to the floor.

Back Length

Measure from the most prominent bone at the base of neck to the natural waistline.

Sleeve Length

Measure Left and Right arm separately.
Stand with the arm extended away from the body and bent at the elbow to form a right angle.
Measure from the base of the neck, past the shoulder, over the elbow, to the wrist.

Chest

Keep the measuring tape parallel to the floor.
Measure the circumference of the body, around the largest part of the chest.

Bust

This measurement is taken snug - there should not be any slack in the tape measure, nor should it be held too tightly. Take the measurement from the center of the back instead of the front, with the subject standing in a natural position, without the chest fully expanded.

Measure the circumference of the bust with the tape measure placed level across the back, under the arms, and over the fullest part of the bust.

Waist

Measure around the circumference of the body, following the line of your elastic waist band.

Hip

With feet together, measure around the widest point of the hip.

Inseam

Do not wear shoes.

To find the base of the crotch, hold a ruler parallel to the floor, up against the inner thigh so that it rests comfortably up against the crotch.

Measure from the top of the ruler (crotch) to the floor.

Standard Sizing Conventions (not all-inclusive):

XS= Extra-Small or Extra-Short

S= Small or Short

R= Regular

L= Large or Long

XL= Extra-Large or Extra-Long

XXL = Extra-Extra-Large or Extra-Extra-Long

Operational Uniforms: Operational Tops & Bottoms, Coveralls, & T-Shirts

Male size numbers are even. Female size numbers are odd.

For maternity uniforms, please visit the Maternity Section.

Please use the size prediction charts and measuring guidelines (below) to best determine your fit. All size charts are based on body measurements with normal allowances for ease of movement which is built into each garment. The charts are a guide only and will help you determine more accurately the size you require.

ODU Shirt (ODU Top)

The ODU shirt is single-breasted design with a pointed collar, a semi-suppressed waist and straight cut bottom. The shirt has a concealed button front closure, two breast pockets with flaps with an embroidered Coast Guard shield centered on the right breast pocket with the left breast pocket having a concealed pencil pocket opening. The shirt has long sleeves with reinforced extended elbow patches and adjustable cuffs at wrist with three buttons in the sleeve hem wrist closure adjustment.

ODU Trousers

The ODU trousers have a button and concealed slide fastener fly, side tab adjustments on the waistband, two side hanging pockets, and two welt opening hip pockets, and two pleated cargo pockets with an embroidered Coast Guard shield on the pocket flap. The trousers have single layer external reinforcement patches at the seat and knees. Trousers are bloused between the second and third eyelets from the top when worn with the Superboot and if blousing bands are used, they shall not be visible. The trousers may be worn straight leg fashion when low cut shoes or boat shoes are required.

Camouflage Uniforms

The UDC does not sell Camouflage Uniforms.

Members assigned to units authorized to wear the Navy Type III uniform may work directly with the USCG Mission Essential Personal Equipment (MEPE) Branch (DOL-44) through your unit's procurement office to obtain uniforms.

Members requesting to wear the Navy Type III, but not meeting the aforementioned criteria, must obtain approval through the Executive Agent by contacting the Military Uniforms Branch (PSC-PSD-MU), POC: Mr. Rockwood Ennis (Rockwood.L.Ennis2@uscg.mil). Once you are granted approval, you may order the Type-III uniform through the MEPE Branch at DOL-44 by visiting their [Equipment Request Portal](#).

Sizing matches the ODU sizing above.

Coveralls

Coveralls may be authorized for wear in those situations where normal work clothing would be rendered unserviceable due to irreparable damage or soiling.

Female Overblouse

Optional for women, the female overblouse has a short sleeves, a fly front closure (right over left), a soft stand up collar with stays, shoulder epaulettes, a pleated patch pocket with button flap closure on each panel. The shirt is a polyester and cotton blend in Air Force Blue shade. Name tags and ribbons should be worn in the same approximate position as would be worn on the female light blue shirt with pockets.

For best fit, measure bust & hip and determine your size based on the larger of the two measurements. To determine shirt length, measure at the neck base and extend the tape down to the point of desired length of the shirt. When wearing a coat or sweater over the overblouse, ensure the bottom of the overblouse is not visible below the bottom of the Service Dress Coat, Wooly-Pully, or cardigan sweater.

Men's Service Dress Blue Trousers (Wash & Wear)

The Wash and Wear men's service dress blue trousers are of the same design and fit as the standard Men's Service Dress Blue trouser, but are washable and are made from a 75% polyester 25% wool fabric and have permanent creases. Wash and Wear trousers are not authorized to wear with the Service Dress Coat because of different material. Women are authorized to wear the Men's Service Dress Blue Wash and Wear trousers.

For fitting and product codes, see above, but exchange the letters "DTM" for "WWDTM".

Female Dress Slacks & Skirts

Women's Service Dress Blue Slacks - Flat Front

The standard women's service dress blue slacks have a zipper front closure (right over left), belt loops, front quarter top pockets, a hook and eye waistband closure and straight legs. The slacks are made from a 55% polyester 45% wool fabric. When the Service Dress Coat and the Service Dress trousers are worn together, both must be of the same material.

Male Dress Coats

Men's Service Dress Blue (SDB) Coat

Reminder: The UDC does not provide tailoring or sewing services.

The coat shall be a single breasted, 4 button semi-fitted style. It shall have bluff fronts and flaps with turned set patch pockets, two set-in lower pockets, dressed front, square bottom, notched lapels and collar, fully lined body with one inner breast pocket. The buttons for the coat front shall be 35 ligne and all four pocket flaps shall have 23 ligne, gold Coast Guard buttons. When wearing the Service Dress Blue Coat, Service Dress Blue Trousers of matching material and color must be worn. Officer's coats will have a sword slit over the left hip. Dress coats with this slit are not available from the UDC.

NOTE: the SDB Coat is not to be worn with the Wash and Wear trousers.
Coats require certain accessories, sold separately.

USCG Auxiliary personnel will need to replace the included Coast Guard buttons with the Auxiliary buttons.
UDC does not offer Auxiliary insignia for the Dress Coat.

Men's Regular-Fit Service Dress Blue Coat

Note: The regular-fit coat is determined by a chest and waist dimension, e.g., 40 inch chest and 34-36 inch waist. It is a semi-fitted coat.

Female Dress Coats

Women's Service Dress Blue (SDB) Coat

Reminder: The UDC does not provide tailoring or sewing services.

The coat shall be single breasted, 3 button, semi-fitted style with a square bottom and notched lapels. The front of the coat shall have three 23 ligne buttons. The fronts shall have two breast flaps and two set-in lower pockets with flaps with scalloped rounded edges. The breast flaps shall be tacked on the front and all four flaps shall have 23 ligne gold Coast Guard buttons. Officer's coats will have a sword slit over the left hip.

Dress coats with this slit are not available from the UDC.

NOTE: the SDB Coat is not to be worn with the Wash and Wear slacks.

Coats require certain accessories, sold separately.

USCG Auxiliary personnel will need to replace the included Coast Guard buttons with the Auxiliary buttons.

UDC does not offer Auxiliary insignia for the Dress Coat.

Parka & Liner, Windbreaker, & Trench Coat

Foul Weather Parka & Liner

The Foul Weather Parka (FWP) is made of 100% nylon with a GORE-TEX® protective membrane (waterproof, windproof and breathable) which makes this garment contamination-resistant to diesel fuel, jet fuel, DEET, petroleum, oils and lubricants. The FWP features two external cargo pockets, two hand warmer pockets, a stowable hood, a hidden map pocket, a rank tab, and elastic and Velcro® wrist closures. Unlike the All Weather Parka (AWP), the FWP has a storm flap at the collar and is longer in length (designed to cover the Untucked ODU coat). The original AWP and newer FWP are both authorized. To purchase the Foul Weather Trousers (model number F5207 - not sold by the UDC), visit EPropper.com

A breathable liner to be worn with the Foul Weather Parka II. Made from a Polartec® Power Shield fabric to repel wind and rain. Jacket features a full zip-up collar and two zip front welt pockets. Waist drawstrings have barrel locks. Features a tab on the front for placement of the embroidered FWPII rank device mandatory for E-4 and above. The Foul Weather Parka II and its accompanying liner are designed to fit properly over the ODU.

Trench Coat

The Trench Coat is made of CG blue polyester/cotton water-repellant material. It is double-breasted with four-button closure, shoulder epaulets, belted waist, and has a removable liner of either a quilted or pile insulating material. The Trench Coat should extend to a point approximately 2 inches below the back of the knee when standing upright. Officers wear large rank insignia on the epaulets. Enlisted E-7 - E-9 and MCPOCG only wear insignia. Wear with ALL uniforms (except the ODU).

Trench coats come with both belt and liner. The Trench Coat shall be fitted over the Service Dress Blue Coat and should be at least one numerical size larger than the Service Dress Blue Coat to ensure a proper / comfortable fit.
