

## SIMPLE, ONE STOP SHOPPING

Sato Groups is a proprietary group passenger procurement and coordination service that delivers significant savings and enhances services for your organization. It is offered at no cost to our military and civilian government customers. Whether you are seeking group air arrangements or group motor coach travel, our Sato Groups team is ready to provide your every need.

Effective travel management is our specialty at CWTsatoTravel, so let us do the work for you. We handle nearly 6,000 group bookings each year, with over 50 years of experience procuring and coordinating group movements for highly sensitive missions, combined with strategic alliances with airlines, motor coach vendors and hoteliers.

## HOW SATO GROUPS WORKS

1. Group travel starts with your request for airline or motor coach space at [www.cwtsatotravel.com/group-travel.html](http://www.cwtsatotravel.com/group-travel.html)
2. Our subscribers submit bids for your business allowing you to decide which offer is the best solution for your needs
3. Once you select a vendor, our team of specialists handle all of the arrangements from start to finish
