**RATING CHAIN:** Review reference (a), reference (b), and other pertinent directives that establish policies and procedures for completing enlisted evaluation reports and assigning marks against written performance standards. All competencies within each performance factor must be evaluated.

**COMMENTS:** Written comments are required to support each mark of 1, 2, 3, 7, unsatisfactory conduct, and not ready or not recommended for advancement. Supporting comments for a 1, 2, 3, or 7 should be in the space provided after each factor, are limited to two lines of text for each competency and should be concise and provide specific examples of performance or behavior. Written comments for unsatisfactory conduct must be provided on a separate page and must be specific and sufficient enough to fully describe the conduct that led to an unsatisfactory mark. Written comments for not ready or not recommended for advancement must be provided on a separate page, and must be specific and sufficient enough to describe why the member is not ready or not recommended for advancement.

**FUTURE POTENTIAL:** Required. Provide written, succinct comments describing potential for future leadership responsibilities, including potential to successfully serve in future special, independent, or command cadre assignments, for all personnel. **SUPERVISOR:** After observing and gathering input on member's performance and behavior, evaluate member's performance against the written performance standards and recommend marks by darkening the appropriate ovals. Provide the completed report with recommended marks and written comments to the Marking Official.

**MARKING OFFICIAL:** Review the marks recommended by the Supervisor and, considering other information on the member's performance and behavior, recommend marks by darkening the appropriate ovals and entering the numerical equivalent in the "Mark" column. Provide the completed report with recommended marks and written comments to the Approving Official.

**APPROVING OFFICIAL:** Review the marks recommended by the Marking Official. Marks not concurred with must be discussed with the Marking Official. To change a mark, assign the new mark, and change the "Mark" column. Confirm that required written comments are provided when required. Ensure that the member is counseled on the marks and the member signs the worksheet.
