U.S. Coast Guard Virtual Public Scoping Space

Programmatic Environmental Impact Statement for Modernization of Base Seattle

This virtual public meeting space has been established to help inform the public about the Coast Guard's intent to prepare a Programmatic Environmental Impact Statement (PEIS) for the proposed modernization of Coast Guard Base Seattle in Seattle, Washington.

This space is also provided to assist the public in understanding the Coast Guard's proposed modernization project, and in providing input on scope if the PEIS.

The Coast Guard is soliciting input from all interested parties to help define the scope of the PEIS, including potential data sources, issues that should be addressed, potential environmental impacts, and reasonable alternatives.

Thank you for your interest.
