

**U.S. COAST GUARD**  
**Small Business and**  
**Industry Engagement**

**Conversations**  
**and Connections**  
**Virtual Networking**  
**Happy Hour**

**Jan. 13, 2022**  
**3:30 – 5:30 pm**  
*(Eastern time)*

Registration is limited to 50 attendees.  
We ask that you limit your registration to one representative per company. The target audience is small businesses who have been in business for at least 3 years and preferably have responded to a USCG solicitation.

*Due to the COVID-19 pandemic, conferences and other in-person events have been suspended. USCG Business After Hours: Conversations and Connections is an alternative to in-person networking and collaboration between industry and the USCG.*

**PROGRAM AGENDA**

The USCG is interested in learning about your experience in responding to our organization's Requests for Information (RFI), Requests for Proposal (RFP) and Requests for Quote (RFQ).

You will be asked to list what you believe are your top 3 barriers to successfully competing for contract award opportunities. Be prepared to offer short- and long-term solutions to those barriers.

Don't miss this opportunity for your voice to be heard! Space is very limited, so don't delay. We look forward to networking with you!
