

**Rear Admiral Douglas M. Schofield**  
**Director of Acquisition Programs**  
**and Program Executive Officer**  
**United States Coast Guard**

Rear Admiral Douglas M. Schofield currently serves as the U.S. Coast Guard's Director of Acquisition Programs and Program Executive Officer (PEO). His duties include management oversight of all Coast Guard acquisition programs and projects for the modernization and recapitalization of surface, air, command and control, and logistical systems in support of the Coast Guard's multiple maritime missions.

A native of Lancaster, Pennsylvania, Rear Admiral Schofield graduated in 1991 from the U.S. Coast Guard Academy, where he earned a Bachelor of Science degree with high honors in Naval Architecture and Marine Engineering. He also holds Master of Science degrees in Naval Architecture and Marine Engineering, Mechanical Engineering, and Engineering and Management from the Massachusetts Institute of Technology. Rear Admiral Schofield received a Department of Homeland Security Program Manager Level III Certification in November 2009.

Rear Admiral Schofield, a permanent Cutterman, served four sea tours: Student Engineer aboard Coast Guard Cutter RELIANCE; Engineer Officer aboard Coast Guard Cutter LEGARE; Executive Officer aboard Coast Guard Cutter ESCANABA; and Commanding Officer aboard Coast Guard Cutter THETIS. His tours ashore include: Port Engineer and Executive Officer at Naval Engineering Support Unit Boston, Massachusetts; Offshore Patrol Cutter Program Manager's Representative and Executive Officer of Project Resident Office Pascagoula, Mississippi; Offshore Patrol Cutter Program Manager in Washington, D.C.; Commander of Surfaces Forces Logistics Center in Baltimore, Maryland; and Assistant Program Executive Officer for Surface Acquisitions in Washington, D.C.

Rear Admiral Schofield's military awards includes a Legion of Merit, three Meritorious Service Medals, three Coast Guard Commendation Medals, and several unit awards.
