

Base Alameda	Current Operational Status
Max gathering restriction	Indoor: 50 if unvaccinated personnel are present/100 if all personnel are vaccinated; Outdoor: 150
HSWL - Medical	Clinic services are fully restored; however, the clinic staff continues to administer vaccines by appointment. Primary focus continues to be COVID operations, operational support and medical readiness. Subsequently, appointment availability will be triaged based on clinic priorities. For questions, contact HSC Mary Zepeda or LT Kate Svenson. As a reminder, members should request their appointments via the Patient Portal (https://patientportal.mhsgenesis.health.mil) for all services for the fastest response. Please allow 24 hours for a response. Urgent medical or dental concerns call the front desk @ 510-437-5999 option 1.
