RECYCLING INFORMATION

Code of Massachusetts Regulation 310 CMR 19.000 requires that recyclable materials be removed from trash and deposited in a designated recycling area.

Household Collection Bins are available to use to bring your recyclables to the Center.

PICK ONE UP FROM EHS TODAY!!

ALL CENTER DROP-OFFS REQUIRE SIGN-IN.

CAPE COD OFF-BASE HOUSEHOLD HAZARDOUS WASTE DROP-OFF LOCATIONS

Please visit the following website for more information, locations, dates and times

<http://www.capecodextension.org/hazardous-waste-water-quality/>

For proper disposal of paints, polishes, stains, yard chemicals (i.e. pesticides), cleaners, photo chemicals, auto fluids

(i.e. waste oil & brake fluid), auto/marine batteries, light bulbs &

mercury containing devices (CFL bulbs, thermometers, etc.)

RECYCLABLE ITEMS

The Recycling Center accepts the following recyclable items that can be dropped off during hours of operation or by appointment:

- PLASTICS**
- PAPER**
- GLASS**
- DRY CARDBOARD (flattened)**
- TIRES (no rims)**
- METAL (cans, etc.)**
- APPLIANCES**
- ELECTRONICS (e-waste)**
- BATTERIES & BULBS**
- CONSTRUCTION AND RESIDENTIAL DEMOLITION ITEMS**

Household Hazardous Waste Drop-Offs are planned during scheduled base-wide clean up weeks. These dates will be advertised in base notifications distributed by the USCG Housing Office to base residents and staff.

If you have household waste that requires disposal prior to these scheduled events please contact Environmental Health and Safety's Dan Morisset at 508-968-6487.
