

Base Cape Cod Recycling Center

Code of Massachusetts Regulation 310 CMR 19.00 REQUIRES that ALL recyclable materials be diverted from general trash collection and construction & demo-lition debris while being deposited in an appropriate recycling stream within a designated recycling area.

AVAILABLE TO: Base Housing Residents

LOCATED AT: Building 3424

HOURS OF OPERATION:

Fridays 1130 hrs - 1500 hrs or by appointment.

Please contact the Center to make an appointment.

CONTACT INFORMATION: Dan Morisset at (774) 994-1415 or the general line (508) 968-6468

RECYCLABLE ITEMS:

Single Stream Materials - all paper fibers, plastics, glass, and cans.

Metal - all metal with the exception of LEAD is collected at the recycling center specific containers.

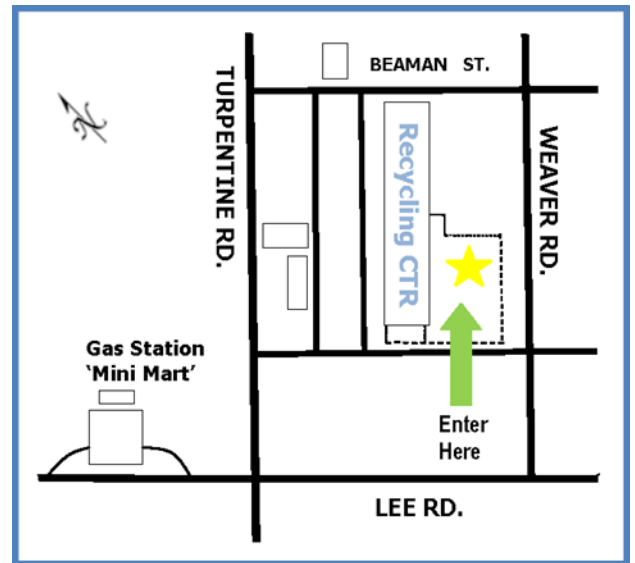

Electronic Components- Any material that contains a printed circuit board or cathode ray tubes (CRT) which are typically found in monitors, TV's, as well as power cords and cables.

Universal Waste Material - All batteries, High Intensity Bulbs (HID) and metal halide bulbs. All mercury containing equipment or devices such as thermostats and florescent bulbs.

Textiles - A drop box is located in the Base Exchange parking lot for clothes, shoes, accessories, linens, and stuffed animals.

Household Hazardous Waste (HHW) Disposal is conducted during scheduled CapeCodextension.org events which are locally held throughout Cape Cod and can be viewed at <https://www.capecodextension.org/hazardouswaste/hhw/>. Please do not conceal HHW in regular trash or leave these items at curbside. If you have HHW that you need to dispose of outside of these scheduled events due to unforeseen circumstances, please contact Environmental Health and Safety at the above listed numbers.

Residents are not authorized to leave furniture/mattress/trash/etc. outside of any dumpsters.
Dispose of oversized items at the Recycling Center during normal operating hours or make an appointment with Center staff.

24 HR SINGLE STREAM RECYCLING On Lemay St.

FOR ON-BASE HOUSING RESIDENTS ONLY

JBCC Housing Residents have 24/7 access to Single Stream Recycling containers and a Corrugated Cardboard container located in front of the old school on Lemay Ave. These containers are for **single stream recycling and cardboard ONLY**.

PLEASE DO NOT PLACE TRASH (i.e. food waste) or BULK ITEMS (i.e. furniture) IN THESE CONTAINERS!
